Principal's Message

Tuan Mong High School's Magazine 1988 hopes to reflect and record the school's effort in keeping up the tradition of excellence. I wish to congratulate the Editorial Board for their good effort in producing the school magazine. Another year has passed and you have put on record the precious moments of our one year in the school for all of us to treasure for a life time. I take this chance also to thank all our members of the School Management Committee, the teachers, non-teaching staff and Ministry Officials for all the commendable work done and for their contributions to our school.

Over the years, the school has responded positively and adjusted promptly to the changes in the educational system and has tried its very best to upgrade its facilities and programmes in order to serve its pupils better. This year, the newly established Home Economics Room is being used by our pupils. The other physical facilities are adequate to serve our pupils. We hope to help our students realise their worth and potential. We also emphasize educational attainment, pupil guidance, discipline and the cultivation of physical and social values as a total concept of education.

Our school was externally appraised from 24 February to 1 March, 88, by 10 Senior Inspectors and Specialist Inspectors from the Ministry of Education. We have received our report. The report gives an evaluation of our school organisation and programmes. We shall follow its observation and findings in the report and try to implement its recommendation so as to improve further the quality of education our school is providing for the pupils.

Since the school has been changed from a traditional Chinese School into an English School, we have been confronted with numerous unexpected problems. The most serious problem the school is facing is the drastical drop in pupils' enrolment. The reason being that our school is situated in the "dry zone" area and the academic result is not so good, compared with the other more well established schools. Many parents still consider TMHS as a Chinese School.

We have to try our very best to solve these problems. We shall take the problems as our challenges. These challenges must be surmounted if the school is to continue to progress. We shall have to be flexible and adapt to an everchanging environment and we must be willing to change our attitude whenever and wherever necessary.

I wish to congratulate all the 349 pupils in the senior classes for completing their secondary education. Graduation to some of you means going to Junior Colleges, Pre-U Centres, Polytechnics or VITBs to further your studies. Others will have to join the society at large and work for a living. No matter what steps you take, the challenges, responsibilities and opportunities that await you are exceptionally great.

I wish you success and happiness in all your future endeavours!

Mr Chen Siew Yui

献词

陈少锐校长

一九八八年的校刊希望能反映和记载本校为保持优良传统而作的努力。我祝贺编辑部出版此校刊的良好成果。一年又过去了，你们把学校一年来的珍贵事项保存下来，以供大家终生铭记。我也愿借此机会，感谢董事部诸公、全体教职员和教育部长官对本校所作的值得称赞的工作和贡献。

多年来，对于教育制度的改变，学校曾作出积极地响应和及时地调整，同时尽力地改进设备和计划以更好的为学生服务。今年，新建的家政室已正式启用。其他的教学设施也能适应学生需求。我们希望协助学生了解其价值和潜能。我们也强调教育成就，学生辅导，纪律以及自然与社会价值观的培养，是教育的整个概念。

在今年2月24日至3月1日，教育部十位高级视学官和专科视学官曾到本校进行校外评估工作，评估团的报告书对学校的组织和计划加以评价。我们必须遵循报告书的视察和调查结果，并实行其建议，以进一步改善教育的素质。

由于本校已从一间传统华校改为英校，我们曾面对无数预料不到的问题。最严重的问题是学生人数的急剧下降。原因是本校位于人口不密集的地区，而且比起其他较为著名的学校，我们的成绩也不理想，许多家长又视端蒙为一间华校。

我们必须尽最大的努力来解决这个问题，我们把问题当作是一种挑战，如果学校要继续发展下去，必须克服这些挑战，我们要有伸缩性和适应不断变化的环境，若有必要，我们必须愿意随时随地改变态度。

在此我祝贺高年级的349位同学完成了中学教育，毕业对你们当中的一些人意味着升入初级学院、先修班中心、工艺学院和职专等继续深造。其余的人最终需进入社会谋生。不论你们采取什么步骤，等待你们的挑战、责任和机会都是格外重大的。

谨祝诸君前途光明。

Perutusan Pengetua

Majalah 1988 berharap mencatatkan kegiatan-kegiatan sekolah selaras dengan tradisi kecemerlangan. Saya mengucapkan tahniah kepada Lembaga Pengarang/Anggota Redaksi kerana usaha anda menerbitkan majalah ini. Waktu setahun telah berlaku dan anda telah mencatatkan saat-saat gemilang sepanjang setahun di sekolah untuk kita ingati sepanjang hayat. Saya mengambil peluang ini juga untuk merakamkan ucapan terima kasih kepada Jawatankuasa Pengurus Sekolah, para guru, para pekerja sekolah dan para Pegawai Kementerian Pelajaran bagi segala sumbangan dan khidmat terpuji mereka untuk sekolah ini.

Selama beberapa tahun sekolah ini telah bersikap positif dan menyesuaikan diri mengikuti perubahan-perubahan dalam sistem pendidikan di samping meningkatkan program dan kemudahan-kemudahan untuk penuntut-penuntutnya. Pada tahun ini Bilik-bilik Ekonomi Rumah tangga yang baru diadakan digunakan oleh penuntut-penuntut kita. Kemudahan fizikal yang lain juga didapati mencukupi untuk keperluan penuntut kita. Kita berharap dapat membantu murid-murid dalam menyedari potensi dan kemampuan mereka di samping menekankan pencapaian pendidikan, bimbingan penuntut, disiplin dan penanaman nilai-nilai sosial dan fizikal dalam pendidikan.

Sekolah kita mengalami penilaian-luar dari 24 Feb. hingga 1 Mach, '88 oleh sepuluh orang Inspektor Kanan dan Inspektor Pakar Kementerian Pelajaran. Kita telah menerima laporan penilaian itu yang menilai program dan

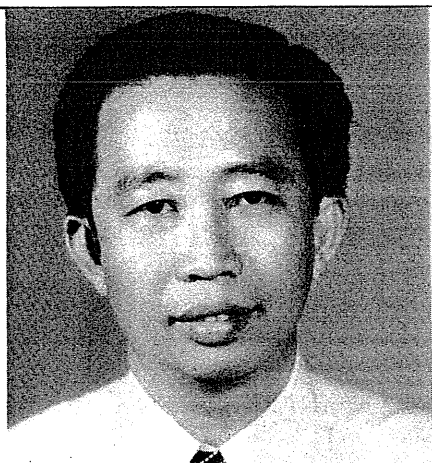

organisasi sekolah kita. Kita harus mengikuti pemerhatian mereka dalam laporan itu dan cuba melaksanakan saranan atau perakuan mereka demi menambah mutu pendidikan yang sekolah berikan kepada para penuntut kita.

Sejak sekolah ini berubah daripada Sekolah Cina tradisional kepada Sekolah Inggeris kita telah bernaikan dengan berbagai-bagai masalah di luar jangkaan kita. Masalah paling genting ialah turunnya kadar kemasukan penuntut. Ini disebabkan kedudukan sekolah dalam 'daerah tandus' dan keputusan peperiksaan yang tidak berapa baik berbanding dengan sekolah-sekolah lain yang jauh lebih baik. Ramai ibu bapa masih menganggap TMHS Sekolah Cina.

Kita harus berusaha bersungguh-sungguh untuk menyelesaikan masalah ini sebagai cabaran. Cabaran mesti dihadapi sekiranya kita ingin terus maju. Kita harus boleh berlebih-kurang dan menyesuaikan diri dengan keadaan sekeliling yang sentiasa berubah di samping bersedia mengubah sikap kita bila dan di mana perlu.

Saya ingin mengucapkan tahniah kepada kesemua 349 orang penuntut di peringkat menengah atas yang menamatkan pelajaran menengah mereka. Bagi sebahagian penuntut ini bermakna melanjutkan pelajaran ke Maktab Rendah, Pusat Pra-U, Politeknik atau VITB. Penuntut yang lain mungkin bekerja mencari nafkah. Apa sahaja langkah yang kamu ambil cabaran, tanggungjawab dan peluang yang menunggumu adalah besar.

Selamat berjaya dan berbahagia dalam apa sahaja lapangan yang anda ceburi.

Message

Let me take this opportunity to congratulate you on your completion of secondary school education. Years of effort have finally not been wasted. After leaving the school, I hope that you will continue to pursue higher educational achievements.

The aim of education is to breed good citizens who can contribute to the society and make sure the prosperity of their country. Due to a lack of natural resources, Singapore will have to survive on her manpower. Therefore education in our country becomes the most important investment and the better quality of our younger generation will decide the prosperity of our country.

Lastly, I hope that you will remember the nation's expectations of you and I wish you success in your future endeavours.

献词

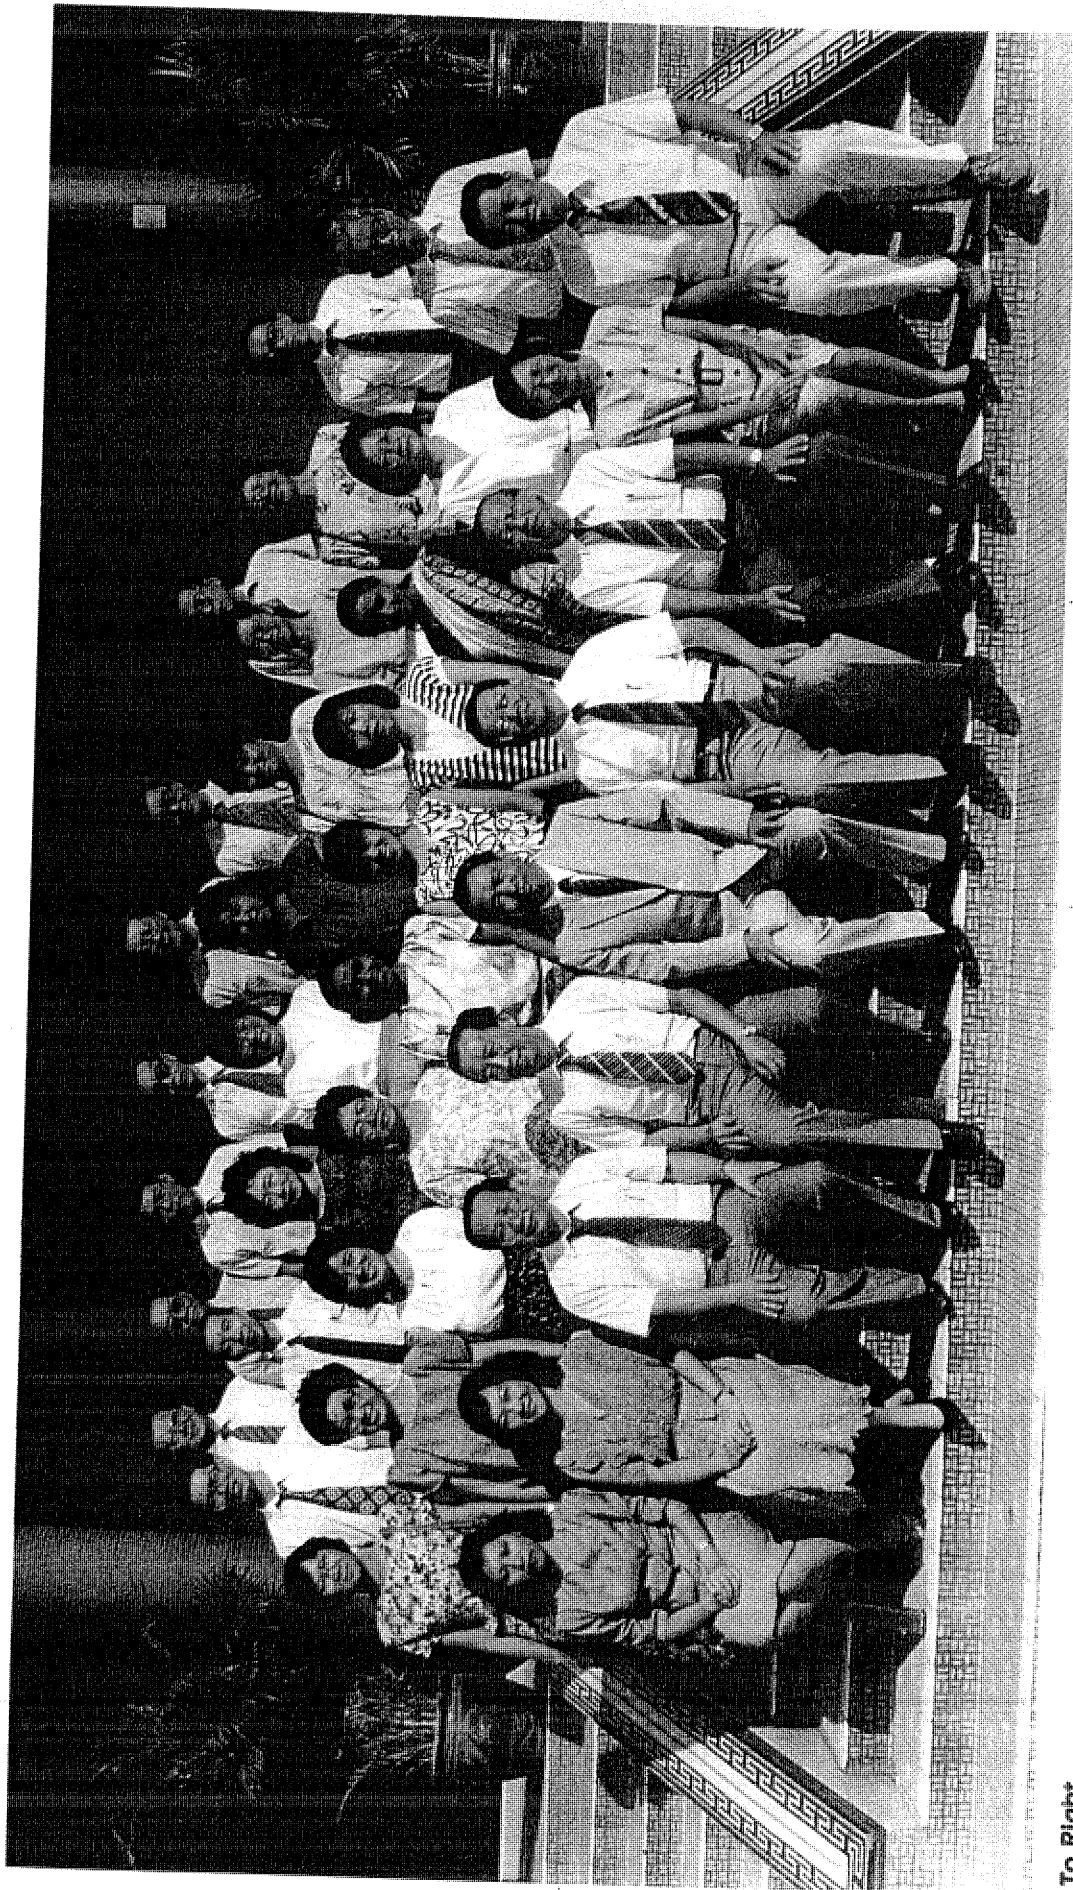

首先，让我恭祝你们顺利完成中学教育，几年来的努力总算没有白费，离开学校后，希望你们继续努力，争取更高的成就。

教育的主要目的是在栽培良好的公民，希望你们学成后，能够把所学的贡献给社会，为人群服务，这样才不会辜负老师对你们多年来的教导。我国是一个没有天然资源的小国，唯有不断提高人力资源的素质才能弥补我们的不足，因此年青一代的教育素质将决定我们的国家能否继续繁荣。

最后，我希望你们能认清国家对你们的寄望，祝你们前途无量。

Annual Report

Presented by the Principal, Mr Chen Siew Yui at the 82nd Speech and Prize-giving Day (October 1987 — September 1988)

Mr Yeo Siew Hua, our guest of Honour and Vice-President of the Ngee Ann Kongsi, members of the school Advisory Committee, distinguished guests, parents, teachers and pupils, ladies and gentlemen. I bid you a warm welcome to our 82nd speech and prize-giving Day.

It is indeed a great pleasure and an honour that Mr Yeo, a highly successful businessman and Vice President of Ngee Ann Kongsi, has found time to be with us to-day. Mr Yeo, as a member of the School Management Committee, has always shown great concern for the welfare of our school. He has not only used much of his precious time, but also donated money, in the name of the Ban See Soon Kongsi, for the school to improve its physical facilities. On behalf of the school, I thank Mr Yeo for gracing this occasion.

Now it is my duty to present the 1987/1988 report on the school.

Tuan Mong High School today has a total of 762 pupils in 26 classes. They are spread over

- 3 secondary one classes,
- 2 secondary two classes,
- 5 secondary three classes,
- 12 secondary four classes,
- 4 secondary five classes.

Of these 26 classes, 14 are Normal Classes and 12 are Express Classes. The school has 36 teachers and 12 non-teaching staff.

Owing to the reduction in the number of classes, three teachers have been transferred to other schools. They are

- | | | |
|------------------------|----------------------|---------------|
| 1. Miss Chua Siew Choo | to CDIS | w.e.f. 2/1/88 |
| 2. Miss Lee Keow Lian | to ACJC | w.e.f. 2/1/88 |
| 3. Mr Sia Kian Teck | to Yio Chu Kang S.S. | w.e.f. 2/1/88 |

At the same time, we are very happy to welcome the following teachers to our school. They are

- | | |
|------------------------|----------------|
| 1. Mrs Lim Aik Kuan | w.e.f. 1/12/88 |
| 2. Miss Chan Lai Chun | w.e.f. 4/8/88 |
| 3. Miss Mah Chwee Peng | w.e.f. 27/6/88 |
| 4. Miss Windersalam | w.e.f. 12/3/88 |

Our teachers are very committed in their work. Our pupils pose a great challenge to our teachers who continually upgrade their skills to meet the needs of teaching, counselling and discipline. Many teachers have attended a variety of in-service courses or school-based workshops related to their teaching subjects.

Under the untiring guidance of our heavily committed teachers, in the 1987 Cambridge GCE 'O' level examination, out of 76 pupils in the secondary IV express classes, 66 or 86.84% obtained 3 or more 'O' level passes. Compared with the 1986 results of 74.26%, there was an improvement of 12.58%.

In the 1987 English Stream GCE 'N' level examination, we presented 106 candidates, and 76 or 71.7% passed and were eligible for promotion to Secondary 5N. Compared with the 1986 results of 52.06%, there was a great improvement of 19.64%! 17 pupils were allowed to repeat Secondary IV. 14 Pupils were eligible to join VITB.

In the Chinese Stream, all the 8 candidates presented passed and were eligible for promotion to secondary 5N. This gives us a 100% rate! Compared with the 1986 results of 69.23%, there was a great improvement of 30.77%!

I would like to take this opportunity to thank my teachers for their commitment and hardwork to improve our school's academic performances. I would also like to congratulate all the successful candidates and wish them a happy future.

Knowing that the main difficulty faced by our pupils in their examination is their inability to express themselves well in the English Language. The school has been trying various methods to improve the English Language results. For instance, to help our students achieve greater proficiency in the use of English Language, a camp was organised at NAYTI from 9th March — 11th March. The objectives of the camp were to 1) inculcate in our students the habit of using English in their communication with one another 2) to foster co-operation among students 3) to increase our students awareness of their surroundings and 4) to groom potential leaders. The camp had been successful in achieving its objectives especially that of inculcating the habit of using English as participants have been seen to be using English to a greater extent both during the camp and even in school today.

To instil the reading habit in students, the twenty minutes reading programme has been carried on this year. Students have been doing projects on the books instead of just writing book reviews. Furthermore to improve students ability in writing, process writing has been implemented in all English lessons with materials, coming from outside. This practice has generated greater students' interest in their lessons while at the same time perpetuating better teamwork and writing ability. The weaker students have been given greater attention this year as could be seen in the greater number of remedial lessons conducted for them.

To bring real-life experience to the materials that the students are learning for Geography, many fieldtrips have been conducted for the upper secondary students like visits to BP oil Refinery, Senoko Power Station, Kukup fishing village,

Oil palm plantation in West Malaysia and PSA Harbour Tour. All these trips have helped students to understand the geographical concepts stated in their syllabus better while at the same time generating greater interest in the subject.

Speakers from VITB, Singapore Polytechnic and SAF have been invited to speak to our pupils so as to help them in their choice of a career later on as well as to prepare the boys for their life in the army. Furthermore to increase our students' awareness of what is happening around them, talks on Road Safety and Aids have also been given by officers from the Traffic Police and Institute of Health respectively.

During the 3rd and 4th terms, the school has implemented the MOE lower secondary literature project which was initiated by Mr Colin Davies. The project works under the rationale that it is not fair for a class of differing reading abilities to tackle one set text.

A diagnostic test was thus given in the 2nd term to students in secondary I and II to determine their reading ability. Each class was then divided into 3 levels of reading ability — with each level doing different books. Tasksheets for each book were given out to the students who have to deal with the tasks in groups. The project, in fact, promotes critical thinking, close examination of the texts, creative writing and discussion among students. Every Wednesday, Miss Daz a project facilitator, comes in to help out in 2 of the classes to make sure that everything goes on smoothly, and we are grateful to her for her time and help.

In the Library Department, the 1988 activities include the development of the library as a centre of learning. Plans are already in operation to maximise the use of the library and improve book circulation.

With the availability of two library grants amounting to \$20,000 given by the Library Development Branch, Ministry of Education, we are able to upgrade our library collection. Heads of the various departments in our school have offered their suggestions and recommendations for the purchase of books. Books and encyclopaedias have and are being purchased with the varied interests of the pupils in mind. A mini-media section is also in the process of being set up.

Our well-maintained and air-conditioned library is conducive to reading and studying. Subject teachers are encouraged to bring their students to the library for research and project purposes. They also help to teach library skills, promote books and encourage students to borrow library books. Pupils are allowed to bring in their own books for study, outside lesson time and the library also functions as a study, thereby maximising its use.

Remedial and tutorial classes are a regular feature in the school. We are grateful for the financial support from our School Management and the Ministry of Education in enabling the school to upgrade our Home Economics facilities, and better quality library works in the existing stock to make provision for better teaching and learning.

In line with the ECA policy, mass participation in sports, swimming and games is encouraged. All our pupils have at least two ECAs and every one participates actively in his chosen ECAs except those who are exempted on medical grounds. The pupils, not only participated in the more exhaustive activities of the uniformed groups and games but they also find a place in the culturally oriented ECAs such as choir, Malay dances, language societies and clubs associated with the aesthetics and computer learning.

Some achievement of the ECA Programmes are:

- 1) Our pupils Shen Longwan, Chen Baofa have successfully completed the parachute training conducted by SAF, school of Commando Training.
- 2) Our NCC unit was placed in 8th position out of a total of 88 participating school units in the NCC AR-15 shooting competition 1987.
- 3) Guo Chengde, Zeng Zhilang, Zheng Huixing were awarded the Scouts' Chief Commissioner's Award.
- 4) Zhuang Yiping was awarded Certificate of Distinction in the Youth Festival Art and Craft Exhibition, 1988.

The school has always been trying its very best to upgrade its physical facilities, though we are terribly short of space. I am very happy to report that our new Home Economics rooms, which was initiated by MOE and the School SMC, is now functioning very effectively since the beginning of this year. We are indeed grateful to our SMC and MOE for their generous financial support. Our girls are now using the facilities and there is no need for them to go to Bukit Ho Swee S.S. to study Home Economics subjects.

Our school was externally appraised by the schools Division of the Ministry of Education, from 24th February to 1st March, 1988. The external appraisal team comprises 3 senior inspectors and seven subject-specialist inspectors. The external appraisal report has been submitted to the school. The report gives an evaluation of the school organisation and programmes. The observation and findings in the report are for the school to review, so as to improve the quality of the education it provides. I am happy to report that our school is implementing the suggestions given to our school.

I wish to thank our Guest-of-Honour and all the guests present for taking time off to be with us to-day and to the staff of the school who have been giving their best for the good of the school. I would like to specially thank my Vice-Principal, the Senior Assistant, my Sports Secretary, my Discipline Masters and Mistresses, my Senior subject teachers and the teachers i/c of various ECAs and all the teachers and non-teaching staff for their support. I also like to congratulate the prize winners who will be receiving book prizes and certificates of merit for their scholastic or ECA achievements. We are very proud of them and extend to them and their proud parents our sincere congratulations.

Finally may I thank once more all our guests and Mr Yeo for gracing this occasion!

端蒙中学常年报告

(1987年10月—1988年9月)

陈少锐校长

我们的贵宾，义安公司副总理杨绍和先生，各位董事，嘉宾们，家长们，各位老师和同学们，各位先生女士，热烈欢迎大家光临参加本校第八十二周年校庆暨常年颁奖礼。

我们非常荣幸承蒙杨绍和先生在百忙中拨冗出席今天的盛会，杨先生非常关心本校的福利，他不但牺牲宝贵的时间，同时以万世顺公司的名义捐助学校改善设备。我谨代表学校感谢杨先生使本盛会增光不少。

现在让我向各位汇报本校1987/1988年的校务概况。

今年本校有26班，762名学生，计中一3班，中二2班，中三5班，中四12班，中五4班。在这26班中，14班是普通班，12班是快捷班。本校有36位教员和12位非教学人员。

由于班级的减少，有3位教员须转校：

(1)蔡秀珠师于2/1/88调往课程发展署。

(2)李娇莲师于2/1/88调往英华初院。

(3)谢建德师于2/1/88调往永康中学。

同时，我们欢迎下列老师到本校来：

(1)林亦娟师于1/12/87到任。

(2)陈丽珍师于4/1/88到任。

(3)马翠萍师于27/6/88到任。

(4)Windersalam于12/3/88到任。

我们的老师都能献身工作，他们不断提高其技能以迎合教学、咨询和纪律的需求。许多老师都参加各种在职受训课程和研讨会。

在老师们的辛勤教导下，1987年普通教育证书（普通水准）会考，本校的76名快捷班考生中，有66名或86.84%考获3科及格，比1986年的74.26%进步12.58%。

在1987年普通教育证书（初级水准）会考，本校英文源流的106名考生中，有76名或71.7%可升上中五。比1986年的52.06%，大大地进步19.64%，有17名学生可重

修中四，14名可进入职专。

在英文源流方面，8名考生全部升上中五，取得100%的成绩！比1986年的69.23%，大大地进步30.77%。

在此我要感谢老师们的尽力苦干以提高本校的学术表现，我也恭祝所有成功的考生前途无量。

鉴于我们学生在考试中面对的主要困难，是不能很好的表达他们的英文，学校尝试各种方法以改进英文成绩。例如为了帮助学生能更流利的使用英语，我们于3月9日至3月11日在国家青年领袖训练学院组织一项学习营。目的是：(1)培养学生和人沟通时使用英语的习惯；(2)促进学生的合作；(3)增加学生对环境的警觉；(4)栽培有潜能的领袖。学习营已成功的达致目标，尤其是培养使用英语的习惯，参加的同学在营中和今天在校中都有尽量使用英语。

为了养成学生的阅读习惯，20分钟的阅读计划在今年继续推行。学生除了作读书报告，还作阅读设计作业。为了更进一步改善学生的书写能力，在所有的英文课中实行采用课外材料的加工书写。这使学生对课程更有兴趣，同时带来更好的集体协作和书写能力。今年那些较差的学生有得到更多的注意，为他们提供更多的补课。

为了使地理科的学生有机会亲身印证他们在书本上的知识，高年级的学生曾有多次的考察，如参观BP炼油厂、圣诺科电力厂、龟咯渔村、西马的油棕园和港务局码头。这些考察有助于学生更了解书上的地理观念和增加他们学地理的兴趣。

我们邀请职专、工艺学院和武装部队派人到校向学生演讲，帮助他们将来求职的选择和入伍的准备。我们也请交通警察局和卫生院派人来向学生讲解公路安全和爱之病常识。

在第三和第四学段，学校实行教育部的中学低年级文学计划，这是由科林达威斯先生创始的。因此在第二学段曾为中一和中二学生举行一项测验，以决定他们的阅读能力。每班分成三种阅读能力，每种程度阅读不同的书。让学生作阅读的作业表。这项计划确实加强学生的精密思考，深入了解篇章，有创造性的书写和讨论。每逢星期三，有一位计划的推行者达丝小姐到来协助两班学生顺利实行计划，我们感激她的协助。

在图书馆方面，1988年的活动包括发展图书馆成为学习的中心，我们正尽力使图书馆得到最大的使用和增加书本的流通。

由教育部图书发展署提供总值二万元的两批图书辅助金，我们可以增加藏书。学校各部门主任提出购书的建议，采购适合学生不同兴趣的图书和百科全书。同时在图书馆设立一个小型的视听媒介部门。

我们的管理完善的冷气图书馆，适合学生阅读和学习。科任老师受到鼓励带学生到图书馆来作研习工作，帮助学生借书。在课余时间，学生也可以带他们的书本到图书馆学习，使图书馆得到更充分的使用。

补习和辅导班是学校的正规项目。我们感激董事部和教育部给予财政上的资助，以充实家政室的设备，使图书馆现有的藏书能发挥更好的教学用途。

配合课外活动的政策，我们鼓励学生大量参与运动、游泳和球类活动。每名学生至少需参加两项课外活动，除了健康问题，每名学生都要积极参与他们所选的活动项目。学生们不只参加制服队伍和球类的剧烈活动，也参加有

文化性的课外活动，如合唱团、马来舞蹈、语文学会和其他艺术和电脑的俱乐部。

以下是课外活动项目所取得的一些成就：

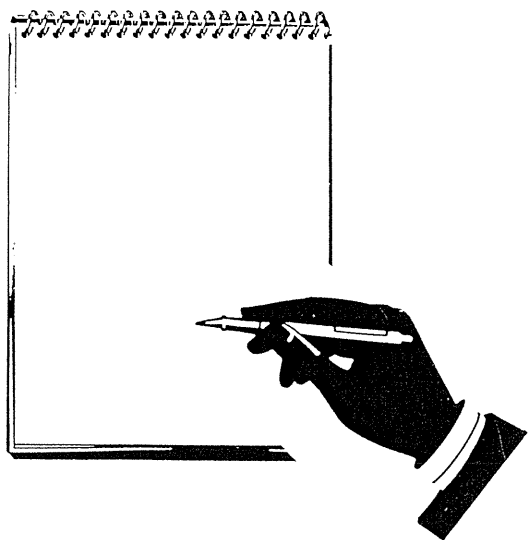

- (1)本校学生沈龙文、陈宝发完成武装部队的跳伞训练课程。
- (2)在1987年的射击比赛中，本校陆军少年团在88间参赛学校中排名第八。
- (3)郭成德、曾志良、郑会兴获得童子军总监奖。
- (4)庄益平获得1988年青年节美术图工展的优异奖。

虽然本校缺乏场地，我们仍然尽力改善我们的设施。我很高兴的在此报告新的家政室自今年开学以来已在有效的使用，我们很感激董事部和教育部的慷慨捐助。本校女生现在已经不必到立达中学去上家政课。

本校于今年2月24日至3月1日，接受教育部学校署来作校外评估。评估团包括3位高级视学和7位专科视学。评估报告已提交给学校，对学校的组织和计划加以评价。报告书提出建议以改进校务，从而提高教育素质。我乐意在此报告本校正在实行这些建议。

我非常感激我们的贵宾和所有的来宾拨冗光临，以及全体教职员为学校落力工作，我要特别感激副校长、高级助理、体育主任、训育主任、科主任、课外活动各单位负责老师以及全体教员和非教学人员给予我的支持。我也要恭贺那些得到书籍奖和奖状的同学，我们为他们而感到光荣，并向他们及其荣誉的家长致以衷心的祝贺。

最后，让我再度感谢杨先生和所有来宾的光临。

端蒙中学运动会 上月底成功举行

端蒙中学本年度运动会暨学生制服队伍检阅仪式，日前在花拉公园运动场举行。参加检阅的制服队伍计有陆军少年团、警察少年团、圣约翰救伤队、童子军、女童军以及铜乐队。

义安公司副总经理杨绍和亲临主持检阅仪式，出现观礼者有义安公司财政杨锡厚、董事吴荣常、潮州八邑会馆董事代表陈启汉，万世顺公司代表杨文钿、义安公司代表杨秀锐，教育部高级视学卢培华，义安小学副校长刘玛丽等。

杨绍和在致词中说，看到参加检阅的各制服队伍，步伐整齐，精神奕奕，留下深刻的印象。他提醒要认清参加运动的意义，并不只是为了夺取锦标，主要的是在锻炼体魄，联络感情，互相合作。

检阅仪式过后，运动会旋即开始，虽然天不作美，比赛开始不久即下绵绵细雨，不过各个项目仍在细雨纷飞中热烈进行，选手们自始

至终一直保持高昂斗志，充分发挥了可敬的体育精神。

端蒙中学陈少锐校长在闭幕词中指出，学校推行课外活动和运动

项目，其目的是要使更多的学生参加活动。校方鼓励那些有体育特长的学生有更好的表现，但是他们不能牺牲自己的学业。陈校长提出每周至少做四次或五次的例常运动，每次历时30分钟至45分钟，这样身体会更健康，学习更有劲。最后他邀请杨绍和主持颁奖。(P9)

阎传苓老师荣休

阎传苓老师已经在端蒙服务了卅年。

记得在五月初六日下午，下午班同学为阎老师举行了一个简单又隆重的叙别茶会。看学生们所送上一束束的鲜花，代表了一串串的敬爱，滋润着阎老师的心田。卅年来，阎老师把大半生付给了端蒙，她在台上那句“曲终人散”的话，更深深震撼着我们这批比她年轻而又工作了多年的同事。

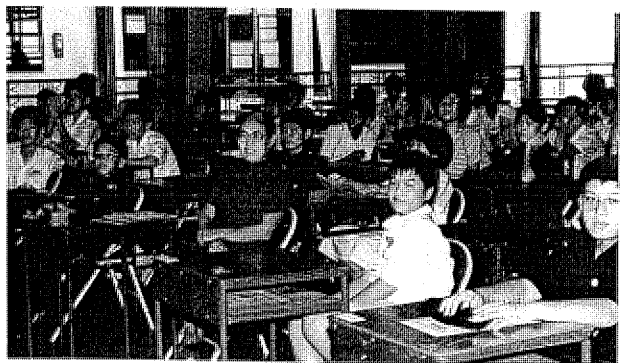

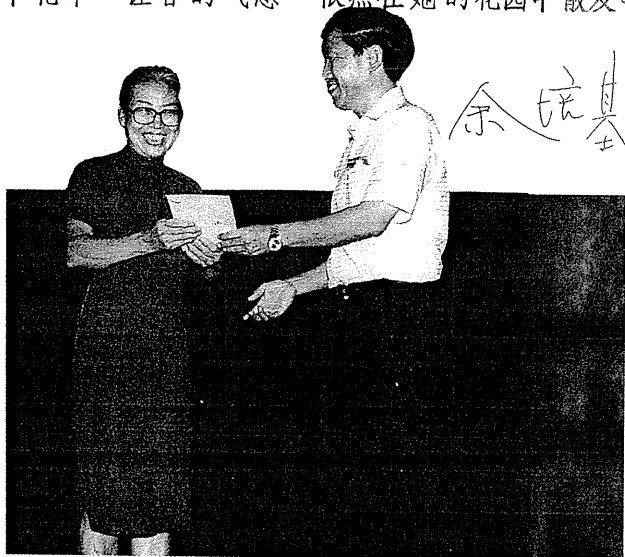

其实，阎老师对我不仅是同事，也是师母。因为当年在南洋大学时，她的夫婿李志韶先生曾是我的老师。多少年来，阎老师孜孜不倦地教导学生，从生物学到华文，培植了几许人才。当年，在她教导下，不少学生投入南洋大学生物学系，今天献身于社会。在工作上，从培植草履虫，到解剖天竺鼠，总处处显出她的有恒和耐心。她惯用的那一台低倍数的显微镜，却扩大她的视野，看着生命的活跃。而如今，恐怕显微镜的镜头都被霉密封了。看着那一具具的生物模型，一盒盒的显微玻片，深感那里付入阎先生几许的辛劳。

端蒙是一间没有校园的学校，但每逢任何庆典节日，一盆盆鲜艳欲滴的花朵，总会出现来宾面前。因为，阎老师是一位默默的耕耘

者。在那有限的后山斜坡上，多少年来，她领导着几位老师和一批同学，用汗水浇灌着一盆盆的花卉。大旱天，即使在假期，她也老远的返校浇水、移盆、施肥、修剪，更是日常的工作。而今，曲终人散，残花有情，也为阎老师的离去而凋零。

朴实、随和、任劳任怨、不计较工作、不考虑事情成败，只是埋头苦干。阎老师的退休，是端蒙的一大损失，只是非人力所能挽回的。

今后，她更能有充足的时间，抚摸自己园中花草，让春的气息，依然在她的花园中散发。

Our school Brass Band was formed in 1966 and through sheer determination and hard work we became a military band in 1986.

This year we have 12 recruits bringing the total number of band members to 46. 4 practices were held each week under the invaluable guidance of our instructor, Mr. Fun.

We emphasized on fostering good working relationships among band members this year. We organised one telematch per term for members to interact and work with each other and to instil team spirit into the band.

On the 8th of April, the band organised a basketball match against the teachers. Despite our youth and energy, we lost to the teachers. Well, it wasn't so much the winning that counts but the fun and excitement. Anyway, next time round, things will be different, teachers! So, watch out!

One of the highlights this year for the band was an overnight barbecue at East Coast beach. Much effort was put into it by the organisers, Kean Foo and Siew Peng to make this gathering a success. We had so much fun and laughter and not forgetting the food, that most of us who were there wished that the nite had not flown by so fast. It was surely a memorable day for the band.

Events that we participated in this year included the Annual School Sports Meet, National Day Concert, The Annual Ngee Ann Kongs, staff dinner and our school speech day.

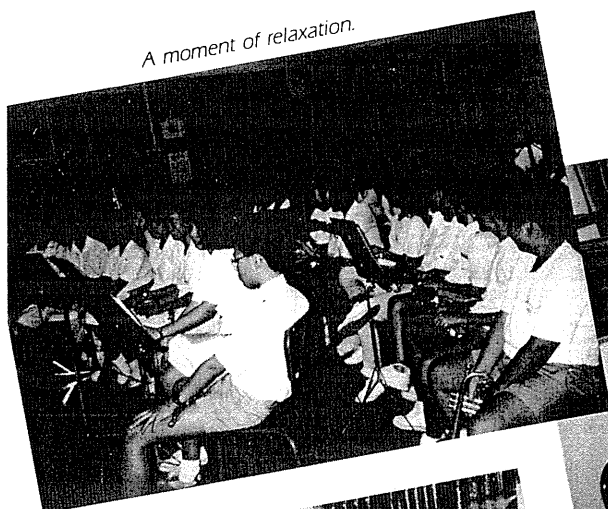

We were also invited by the PWD to perform for their central expressway Phase II project official ground breaking ceremony on the 16th of July.

Besides giving training to members in school, we also send students for more intensive and specialised training outside school. In November 1987, Chua Bee Guat and Goh Siew Peng both went for their NCO training at the Amoy Queen Camp.

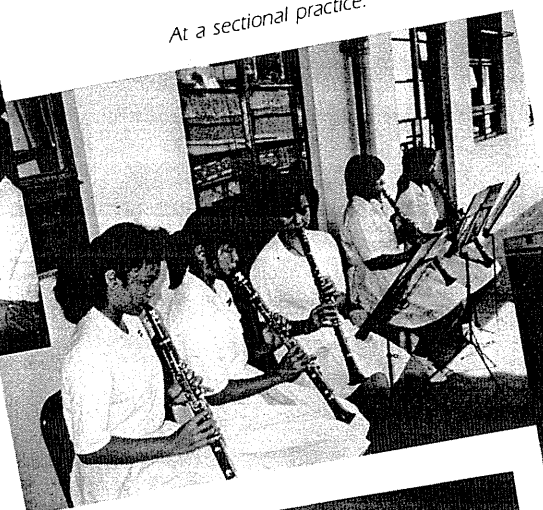

Lastly, we want to thank the school for enabling us to install new cupboards amounting to over \$1000.

We also want to express our thanks and appreciation to our instructor, teachers and ex-members for their support, advice and guidance.

合唱团 (SCHOOL CHOIR)

本年度合唱团团员是历年来最少的，因为班级减少的缘故。人数只有十七人，只能组成合唱小组。练习时间与往年一样，在星期六上午九时至十一时。

年初本团选派了五位团员，组成一小组参加了义顺初级学院所主办的全国新谣歌唱比赛。六月廿八日邀请了新加坡交响乐团的助理指挥林耀先生到本校主讲音乐欣赏的基本常识。并在七月卅日主办一年一度的歌唱比赛，为了响应“唱吧！新加坡”的推广，本团规定每位参赛者都得在两首参赛歌曲中必须选唱一首“唱吧！新加坡”的歌曲。

此外，本团也参予国庆及校庆的文娱节目演出。

Training Programmes/Activities and Major Events

The Guides Company held regular weekly meetings in school every Saturday from 0815 to 1100 hours.

The Guides movement has a practical programme which aims at character development. At the same time, the movement aims to train guides to have a good sense of judgement and the determination to succeed. It also helps to develop talents and interests.

Guides are given lessons on a wide range of subjects such as footdrill, map-reading, firelighting, first-aid, etc. Besides these activities, games, camp fires, hiking and camping were also held to increase our knowledge and experience.

On Feb 21st, 14 of our members proceeded to MacRitchie Reservoir for an Art competition. The aim was to foster an interest in Art as well as to promote fellowship amongst our guides.

On Thinking Day, a total of \$64 was collected through the sales of coloured pegs. The funds collected were then handed over to Guide House. This project was indeed a great success.

February 27th was a day where our guides did their part in Community Service where all senior members went out to sell flags for the Singapore Children Society. They were in turn awarded a certificate each for their service rendered.

Our guide company also formed a contingent during the School Annual Sports Day's uniformed group parade on the 29th June.

Fellowship was never better manifested than in our combined activity with our fellow scouts on the 2nd of June. A barbeque was held in the Basketball Court from 7.30 to 10.00 pm where everyone had a wonderful time indulging in the sumptuous food.

In conclusion, 1988 has been an active and fulfilling year for us and we plan to have more interesting activities in the years to come.

Malay LDDS Annual Report (1988)

Every year election of office bearers to manage this society was done in Feb. For this year we have these pupils to initiate and carry out activities of Malay LDDS.

Chairman	: Marlina Sarkan	(4C)
Secretary	: Siti Idah Atan	(4H)
Treasurer	: M. Saharuddin Asmuri	(3A)
Asst. Treasurer	: Susila Chitra Devi	(4C)

As the number of members of this society is less than forty students we felt there was no necessity to elect/appoint ordinary committee members.

Activities of Malay LDDS were concentrated on the preparation of items for special school occasions such as National Day etc and Hari Raya Cultural show.

Hari Raya cultural show was successful in the sense that it is the climax of activities of Malay LDDS and the prevalence of close co-operation among members towards

achieving a set target. The audience at the show was honoured with Malay Dance performance (one by Sec. 4 Normal and the other by Sec. 3), Malay national costume competition and Dikir Barat (performance of peasant in the East Coast of Peninsula Malaysia to mark their joy of harvest season) and a musical entertainment by some of our future talented artistes. This society is grateful to two of our school teachers namely Miss Wong Lin and Miss Ho Yew Har for having consented to serve as co-advisers to this stage show as well as all other members who have contributed towards its success in one way or another.

At the time of writing this report this society is actively preparing the publication of a booklet or mini magazine which contain essays, short-stories etc. written by our members as well as by other students who have the flair for producing creative writing in Malay Language.

Teacher-Adviser to Malay LDDS

Sepak Takraw Annual Report (1988)

TMHS was quite fortunate to have few players who form the membership of 1988's Sepak Takraw Team as well as school players for the South Zone Annual Sepak Takraw Championship held at Singapore Vocational Institute. For this championship we sent in B Division players to play against Monks' Hill Secondary, Singapore Vocational Institute, Bukit Ho Swee Secondary and Rangoon Road Secondary. Our players only managed to win over a match against Rangoon Road Secondary and failed to get a placing in the preliminary round that we participated in.

We feel that our team's weakness is the absence of good players as only six of the twelve school players are experienced players whereas the remainder are new or inexperienced players.

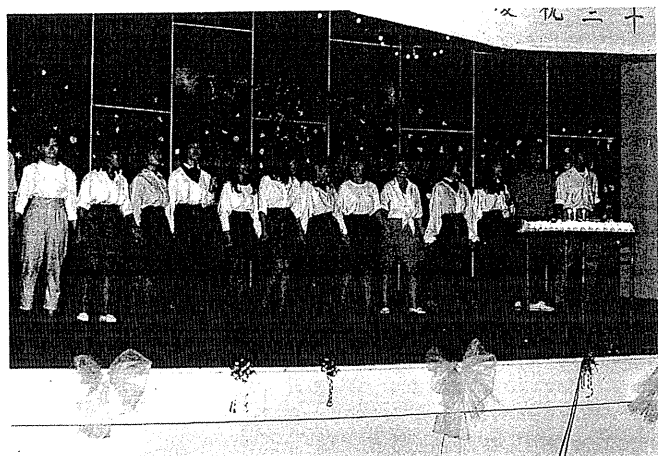

The team had practices on Wednesdays and some Saturdays from 1.30 to 3.00 pm. under the supervision of Mr Mohamed Ridwan Mohamed and Mr Billy Tay Hai Hin.

Here are the players representing TMHS in the above championship.

St. John's Ambulance Brigade

Our division was formed in 1958, thus having a history of 30 years. Our division, Tuan Mong Training Centre belongs to District D, Area 10, and it is a combined division with Haridas. At present, we have a total number of 50 members including both Ambulance Cadets and Nursing Cadets. The four members are Wong Siew Ling, Goh Hwee Li, Chua Ai Ling and Tuan Lan Yen. They showed enthusiasm and had good leadership quality. They performed extremely well.

This year we celebrated our 30th Anniversary at our St. John Headquarter's performance hall. In addition, we were very honoured to be able to invite our school's scout group to assist us in the opening ceremony with a fantastic and marvellous lion-dance. At the same time, we even invited a guest singer, who was our school's champion singer of the year 1987, Alan Sim, to perform for us two of his heart-warming songs.

Time flew quickly. In the wink of an eye, another NCC Day had arrived. A week prior to the NCC Day, I had to report to school practically everyday to design posters, writing banners for the parade. Trainings such as footdrill and armdrill were given on all days of the week. Everyone was told to starch and iron their uniforms. Our Commanding Officer LTA Han Lee Kwang told us that he would be inspecting our uniforms the day before the big day and unsatisfactory uniforms would be returned to us to be restarched. He also stressed to us the importance of the parade.

On the first of July, at about 6.30am, we began to assemble at the basketball court. Unfortunately at about 6.45 am, it started to rain. We had to cancel the parade. We felt disappointed that we could not carry out things as planned. However, we managed to set up the posters and banner in the hall.

At 7.20am, all the students assembled in the hall. The ceremony began with the singing of the National Anthem and school song. An inspection was carried out after the speech given by our principal. The principal was also invited to present certificates and badges to some of our cadets. They were:

This ceremony was conducted again for the Part A and Part B cadets who were in the afternoon session. After this, both our principal and officer congratulated us on our good performance and that made us very proud of our unit.

Aim: To promote mutual understanding and cooperation among our members.

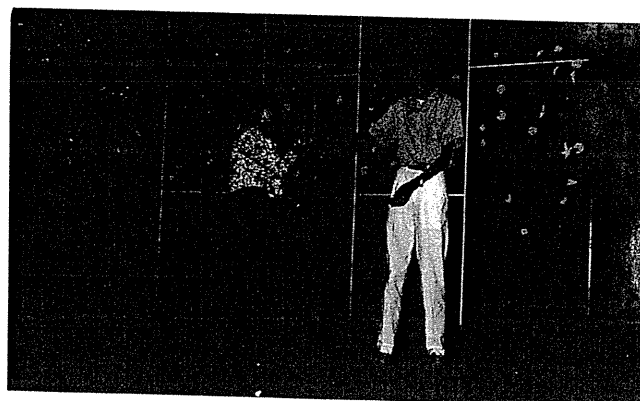

Besides learn and play, we also perform the following duties.

These provide members with more experience be-

cause they can make use of what they have learnt. We have thus rendered our services to mankind.

The officers and cadets are continuously trying to upgrade themselves as they hope to strengthen the Brigade so that they can serve the country and fellowmen better.

Now in the club, there are three IBM compatible, two APPLE, three TI and one NEC computers. Most of the computers come with printers and softwares.

Attention!

The aim of the club is to enable students to have a basic knowledge of computers and programming. Club members have practical and theory lessons every week.

This year, we have introduced the membership card system. Therefore, non-members without the card are not allowed to enter the computer room. Furthermore, we are also planning a club library for members.

Therefore, all the members are welcome to join us. . .

Basketball

Basketball is one of the most popular sports in our school. It is a fast and exciting ball game played by two teams consisting of five players each. Each basketball player must be physically fit and mentally persevering so as to tackle any tough challenges put up by the opposition. In order to maintain certain desirable physical and mental qualities, the weekly training programme has been introduced. This programme not only enables the players to stay in excellent condition but also improves the playing skills of each individual. Team cooperation is also greatly emphasized during the training, for it is normally this that de-

termines the victor of the game. 12 of our school's top basketball players participated in the South Zone Inter-school Basketball Tournament. Unfortunately, our luck denied us the chance of qualifying for the finals as we were eliminated in the 2nd round. Despite this misfortune, Basketball still plays an important role in the school's extra-curricular activities and the interest towards the game has grown tremendously.

Lastly a team of 4 from the Basketball team had participated in the Uniform Group race during the Annual School meet and they came in second.

AVA Club

Tuan Mong High School has very good facilities for Audio Visual Aids. There were more rooms opened for certain purposes eg. the media room which is meant for teachers to make aids, train the AVA members in the use of the equipment and to store AVA. We are fortunate to have some of the latest equipment in our school AVA club.

The AVA club had its meetings every Wednesday from 2.00 – 2.30 pm. The students were asked to come back on different dates to help clear up the AVA rooms. Furthermore, students were also taught to use and to repair the

equipment. Everyday, just before the start of lessons, AVA members will set up the AVA equipment if the teacher requires it.

The members were also asked to help the Teacher-in-charge set up the equipment for certain occasions during the weekly assembly, for eg. talks by outside authorities, film shows etc.

DANCE SOCIETY

Teacher-in-Charge: Mdm Lau Bee Lian
Instructor: Mr Tan Tian Soh

The objective of the Dance Society is to equip its members with the techniques of dancing through regular and systematic training so that they would achieve a level good enough to perform either during School's festivals or on other occasions.

The Society comprises only twelve members. Far from being discouraged by the small size of the group, members trained long and hard under Mr. Tan Tian Soh, the instructor. Training session was held weekly. More training was carried out ahead of performance. They put in much effort and their improvement was there for everyone to see. Some of the more enthusiastic members even went to the extent of sacrificing their own spare

time to impart basic dancing skills to the budding young dancers in the lower secondary classes.

A dance item entitled "Lotus Lantern" was performed by the Society in Ang Mo Kio Library in the afternoon of 3rd May 1988. It was well received. The applause from the appreciating audience spurred the members to train even harder.

Members also took the opportunity to watch the performances by other local dance groups. Standard can be raised and skills can be improved by learning from other more advanced groups.

To move further ahead, we need to increase our size. We hope to attract more talents into our ranks so that we would be able to perform large-scale dance items which require more dancers. We are looking forward to achieving this objective in the forthcoming year.

园艺学会

园艺学会栽种的花卉本存放在后四楼阳台上，由于今年阳台要加以修补，所以园艺组的盆栽植物只好搬家了。经过小部份的淘汰后，其他的在阎传苓老师（已退休）的指导下，同学们帮忙把植物分别移到适当的地方去，现在再也不能集中在一处了。

今年参加园艺会的学生，除了五位是中一、中二的学生外，其他十五位清一色是中四生，由于他们是会考班，忙于功课，补课时间有时与活动时间冲突，所以出席率不高，幸有几位中四 I 的女同学，开学后在老师的游说下，自愿报名加入帮忙园艺的工作，园艺活动才得以每周按时活动。同学们平时活动的范围多在后山坡，除野草、扫落叶、修剪花枝、施肥、整理花圃，在二位校工的帮忙下，浇水的问题总算得到解决。

Teachers' Day

Why do we celebrate Teachers' Day? There are many reasons. We all know that teachers are the people who teach and help us, pupils, to get good grades in our studies. They also care for us. To show our appreciation for them, someone founded a day especially for them. We also feel that teachers should take a break sometimes.

For those who think that strict teachers who always scold and nag at students hate them, this is not true. The fact is that the teachers do so for the students' own benefit. They want those students to be well-disciplined. Teachers are like our parents and they teach us to be good, not to be bad. Teachers may also think that students who break school rules are not right. The students usually do so because they want to show their strength or how tough they are to their friends. However, I think that teachers should be open to such students, for some may have family problems and are afraid to ask teachers for advice.

Teachers' Day is a special event and is celebrated

yearly. On this day, many students shower their favourite teachers with tokens of appreciation, such as flowers. In my opinion, I think that teachers feel awkward on this day. However they have no choice but to appear in school for the celebration. Some may even be invited to class parties. It could perhaps be a day when teachers say what they like or dislike about the pupils. Others may feel that it is a silly idea to have Teachers' Day for they could always show appreciation everyday in school when they see the teachers instead of having a special day for them.

In my view, teachers are not just ordinary but talented people, who take lots of hardship and heartaches to teach us. There are many students who are trouble-makers and give teachers a difficult time almost everyday and every year.

An Interesting Discovery

Cracks on the side walls and ground, with curtains which still hung. Wire dangled like seaweeds on top of the lead roof which gave a loud noise during rainy days, such as when raining cats and dogs. Wooden attap houses were situated next to it. The path was narrow and dark. It was the place where crimes often occurred and illegal activities were carried out.

There I made my usual patrol. It was half past two. My buddy Jack Lai was a new recruit. As we stumbled onto the narrow path, he stuck close to me, sticking like glue. I was a bit worried about his behaviour. To keep myself feeling normal, I began to hum softly. Suddenly I heard footsteps from behind. Jack shone his torchlight in that direction immediately. I drew out my baton from my 'frog' which was attached to my belt. We walked slowly towards the sound as we could not see at all in the dark. Bam! An object suddenly dropped from nowhere and landed near us. This was followed by the sound of quarrelling coming from one of the houses nearby. We quickly went there. As we were approaching, a voice shouted out 'police'.

All of a sudden a wooden door opened. Only a wooden crate on which were some old newspapers and a few used candles were found. There were many beer

bottles rolling on the floor as we entered the room. Without delay, I contacted headquarters through my walkie-talkie while Jack looked around the back. After making my report, I accidentally knocked over the crates and found a suitcase which contained half dozen packets of heroin. Each packet weighed more than ninety grams. Jack and I were shocked and could not believe what we had found. By that time our superiors had arrived and had sealed up the whole place. There were also many news reporters who behaved like hunters, trying to obtain more information from us.

Luckily I found the heroin or there would be a great deal of bloodshed and crime which might arise from its use. After a long period of investigation, the police found that the people responsible were the smugglers from Thailand. I guess the sound of quarrelling we heard must have occurred when dividing up the number of shares each smuggler should get. They thought that they were surrounded and had fled for their lives. Due to our interesting discovery, the smugglers were eventually caught and punished.

'Love'

LOVE is many things...
Sometimes quiet,
Sometimes exciting,
A happy feeling that everything is right.

LOVE is understanding...
In a thousand little ways,
A smile across a crowded room.
A touch, A tender kiss.

LOVE is knowing...
What to say
And when to say it,
A voice of reassurance
Or a word of praise.

LOVE is very special...
very dear...
And as it grows from year to year,
You find that nothing else
Can bring such happiness
To everything
EXCEPT A PURE LOVE!!!

Hopelessness

"Come on! Rise and shine! It's time for you lot to get up! The governor is getting impatient with you."

The sound of the guard's call pulled me away from the board that was my bed.

"Hurry up, will you?" the guard shouted.

We being prisoners had to follow a strict routine. First make your bed, then clean the room, then line up outside for inspection. Through the sole window in our cell we could see another group of prisoners being inspected. Four of them were separated from the rest and were then forced to line up in twos at another end of the parade square. This was the usual routine. We never knew what happened to them because at this point our guard would come to round us up and lead us out for inspection.

The air was filled with the smell of stagnant water and the damp smell of hay. We could hear the governor preparing to shout his daily speech at us. Strangely it seemed like any ordinary day. The same routine.

"In a straight line! Hurry up!" yelled one of the guards as he shoved me into line.

"As all of you know, you are here because you have all committed the most terrible crimes you can commit. You are all traitors to your country. Mother Russia will not stand for this. Now we need volunteers to help with some cleaning work. Who is willing to offer his services?"

The parade square was empty as the other group of men had vanished. My group was silent. Every one in my group looked at one another and then looked down at the ground, that was all except me. Taking in a deep breath and saying a silent prayer I raised my hand. I stepped forward. Soon nearly half of my group had joined me when I caught sight of the governor nodding his head. The guards quickly moved forward and divided us into two groups. We were pushed to one side while the others remained in the centre of the square.

"To you the volunteers I congratulate you for having made a wise choice. You have saved your own lives. As for the rest of you, take a last look around you for this is your last day on this earth."

The guards then began taking out hoods from a bag that one of them was carrying and began covering the prisoners' heads. Silence had fallen over the entire square. Not even the governor's dog barked.

This was tricky! I had never known these Russian dogs to be so cunning!

The men were tied with their hands behind them to a pole. Two at a time. The commander of the firing squad gave the command and the guns released their precious bullets into the closed doors of the men's bodies.

"Oh how I wish they did not do it like this! Why not kill them all at once!" I muttered to myself.

"The drum roll is no better. It is pure agony! Look what they're making the others do." said another prisoner.

The governor was a cunning man for sure. He made the other soon-to-be executioned prisoners dig a big pit at the left end of the square right opposite to us while the guards released those lifeless bodies from the poles. The bodies tumbled down and they resembled shrivelled dried leaves. Two more prisoners were led to the stake and the same routine was done once again. The guns broke the silence and the normal noises returned as if they had been just released from a bottle. Soon all that remained was a huge pile of human corpses. The firing squad and the governor then left. The guard standing nearby then ordered us to pick up all the bodies and dump them into the big pit. The ground on which they laid was damp. You could see blood seeping into the damp earth. The air smelt of blood and gun powder.

"They are the lucky ones. They are free while we are doomed to stay here." I muttered.

"Quiet! Prisoners are not to talk while working."

The pit was soon filled and just as we were about to cover it up with earth, the guard stopped us.

"Leave them. The pit can still hold some more." he said.

The poor and yet lucky souls were dead and free but they could not even be given a decent burial.

"What will be tomorrow's scheme?" asked someone.

"No one actually knows. Anyway, we would die somehow if not by the gun then by the oncoming weather or the sicknesses that would be around us. There is no hope for survival." I said aloud as I climbed back onto my bed.

Friendship

We count the days that come
We meet the whole year round
How are you my friends
You have to tell me now.

We take things as they come
We seem to dream in reality.
What we cherish more
Is our acquaintance that's all

We confess our feelings
As we treasure our studies.
When time passes by
There are memories to rewind.

We share something special
We go through weal and woe
A jovial friend like you
I will remember thee.

We march the whole day long
We camp with laughter and tears
Not a cloud in the sky
But friendships in my eye.

Life Of A Secretary

I was coming to the conclusion of my dream
When my bed jerked and jolted me out of it.
Moving with shut eyes and legs of lead
I dragged myself to the mirror and peeked at myself in the life of
a secretary.

The heat and coldness of the water made my muscles shudder
But with wits and a bar of soap
I managed to take a bath to prepare myself
In the life of a secretary.

Broke an egg on a piece of bacon
Shuffled and cooked to the way I reckon
With nothing to listen or read.
I gobbled it down absent mindedly
And got myself ready in the life of a secretary.

15 minutes journey to the office made my body fatigued
Punched in my card and started working hard
In the life of a secretary.

Tick Tock the clock on the wall strikes forth
I strike the keys till half past four
As you can see, I've nothing better to do
Than to be a secretary.

Miner saved after CAVE-IN

WESTERN COLORADO – Every rescue worker was relieved after 32-year-old victim, Curt Sanders, was rescued and taken to the hospital. He was trapped behind two miles of rocks in one of the coal mine tunnels.

It all started on April the 16 at 4 p.m. when the pillars that supported the tunnel roof snapped and rapid-fire booms ripped through the mountain.

"I shouted for Curt, but saw him throwing his machine to reverse", said one of the workers who was involved with closing the mine down with Curt before the accident happened.

Moments after the accident, Mine manager, Jim Diamanti, was informed about Curt being buried inside the mine. Then he called Curt's wife, Debbie, and told her about the bad news. He also told her to stay at home and wait for his telephone call. After that, he shut down all operations throughout the mine and sent his foremen to select the most qualified men suited for the rescue work.

"I knew that the initial fall would have buried Curt's machine, but whether he was dead or alive, that I didn't know," said Jim, the manager.

In the rescue work, workers removed rocks with the help from two front end loaders and another mining machine.

"It was like digging into a mountain of gravel with a shovel because everytime we removed a rock, another would fall and replace it, but we finally did it, didn't we?" said a relieved rescue worker.

Then, by evening, when the back of Curt's machine was revealed, a double culvert was positioned across the floor across the cavern and on top were truck tires used as a cushion against falling rocks.

At about 3 a.m., a mighty cry shouting that Curt was alright was heard. An overjoyed Jim then called Debbie and informed her of the good news. Then, handtunneling within a distance from Curt was done by Darrell Malore, Gary DeGarmo and Jack Moschetti. They were the mine's special projects crew and if there is anyone who could reach to Curt, it was them.

Then after a few hours of tunneling, a gleam was seen through the rubble and Malore shouted for him and he replied. Malore then quickly squeezed a plastic bottle through to Curt and he even felt Curt, according to Malore himself.

He added, "It was tough work and we had to run back everytime a trembling on the tunnel was felt."

Finally, after being trapped inside for more than 37½ hours, at 5.30 a.m. on the 18th, Curt was taken out of the mine, alive! Miners went forward happily to hail him as he was being sent to the hospital where his wife was waiting impatiently for him. Four hours later, the part of the tunnel where Curt was trapped earlier on, collapsed and was filled with rubble.

It was surely a close encounter for Curt, but unfortunately for us reporters, we were prevented from interviewing Curt. However, one of the doctors said that Curt would be alright in weeks to come, but he must need a lot of rest with this period.

Trapped

It was the second day of my school holidays, which were in the month of June. I was given permission by my parents to go to Australia with my four cousins for about a week. At last, the day which I had been waiting for arrived. I picked up my luggage and walked along the corridor towards the plane which would take me to my destination.

It had been quite a few hours. I had been enjoying myself in the ferry but I soon realized that I was getting bored so I decided to have a rest in the cabin. As I was walking towards my cabin, I felt that the ferry was tossed by the waves but suddenly a giant wave struck the ferry so hard that the whole vessel capsized. Most of the passengers were swept overboard and those who were unfortunate were trapped in the cabins. I panicked when I found that everybody was out of sight. I tried my best to swim for my life but the sea water was so cold that I could not swim well. Luckily, I saw a plank floating near me. I swam towards the plank and hung onto it but soon I was getting very tired and hungry, I lost consciousness.

I opened my eyes slowly, and I found myself on dry land. I got up and observed my surroundings very carefully and I soon found that I had landed on a mysterious island. I looked around for food because I was feeling very hungry. I

climbed up a fruit tree and plucked enough fruits for the night. Not long after that, the night fell and it began to get cold. I collected some coconut leaves and used them to cover myself against the cold.

The next day, when I woke up, I collected many big stones and formed an 'S.O.S.' sign. A few days after that, I tried to make a raft out of wood but my effort was in vain. I also tried many other ways to get off the island to return home but I did not succeed. After a few more tries, I decided to give up and wait for a passing ship or boat.

A few months later, I was happy to see a passing ship. I quickly made a big fire to attract the crew's attention. I excitedly waved my hands and prayed that they would see me. Then I heard a shot from the ship and slowly, I could see a boat being lowered into the sea and slowly approaching the island I was on. I was so happy to see the sailor and to know that I was safe.

I would never forget this experience when I was trapped on the deserted island.

The Narrow Escape

My birthday was coming and it was just three days away. I was feeling very excited. I had planned to have a party on a small island nearby with my friends. So I rang them up and invited them to my party. The ones who decided to go at last were my friends: Shahrin, Andrew, Andy and Sumin.

The day which I had waited for arrived at last. I was standing on the beach with a rowing boat beside me, waiting for the arrival of my friends. A few minutes later, my friends arrived and we proceeded to the island. It was sunny and the sea was calm. The water current was not very strong which made it easier for us to row our boat.

About twenty minutes later, we reached the island safely and we placed the party equipment nicely on the beach. We enjoyed ourselves very much until Shahrin looked at his watch. "Ooops, it is a quarter to five. Our parents would be waiting for us on the beach fifteen minutes later." Shahrin reminded us as he began to pack the things which he had brought. We quickly packed our things and put them nicely in the boat. After doing that, we started the rowing.

After ten minutes of rowing, it began to rain and the sea was getting rough. The water current was getting stronger so that it was difficult for us to row properly. The rain was so heavy that the boat began to get flooded. Shahrin, Andy and Sumin who were not rowing tried their best to scoop the water out when Sumin's face suddenly turned as pale as a sheet. She pointed to the sea where a triangular object was floating towards us very rapidly. "It's a shark!!" Sumin shouted. We were shocked to hear what

she said and we panicked. We did not know what to do except to row the boat as fast as we could to get away from the hungry shark. We tried our best to get away from it but it was no use. The shark was coming closer and closer. "Bang!" I felt a sudden jerk. Sumin, who was the only girl, lost her grip on the boat and she was thrown overboard. She tried to keep herself afloat but the water current was so strong that she was carried further and further away from us. Andrew, who was the best swimmer in our school, dived into the sea to save Sumin. He tried to reach her before the shark did and he succeeded. He held her tightly and together with her swam with all his strength towards us. As the shark was coming towards Sumin and Andrew, I suddenly remembered the harpoons which were kept in the boat. I took one out and aimed it at the shark. I threw it hard and luckily it struck the shark's head before it could bite Sumin's foot. It slowly sank into the bloody sea water.

We rowed back to the shore where our parents were waiting. We told them what had happened. Our parents were very relieved that we were all safe. I promised myself that I would not go too far from shore again and I hope that that would be the last time.

Confiding in Someone

Teenagers have a lot of problems which most people would not understand. Adults always assume that teenagers are young, happy and carefree, but this is not always so. In reality, teenagers go through problems such as studies with its expectations from parents, teachers and friends, puberty problems such as starting to get interested in the opposite sex which will then lead to worries about one's appearance, eg. complexion. But the problem that the majority of teenagers face are problems in the family.

One important aspect of family problems are parents who quarrel and fight leading to a separation or divorce. In such cases, most parents think they suffer the most, but the children suffer a lot too. They start to feel insecure, sad, angry and lonely. Insecurity in the sense that he does not know what steps his parents would be making next, sad because he would only get to see or stay with one of his parents if they should ever be separated. He will also be filled with anger and hatred, thinking that his parents are trying to abandon him. Loneliness will also start to build up in him for there is no one around to confide in.

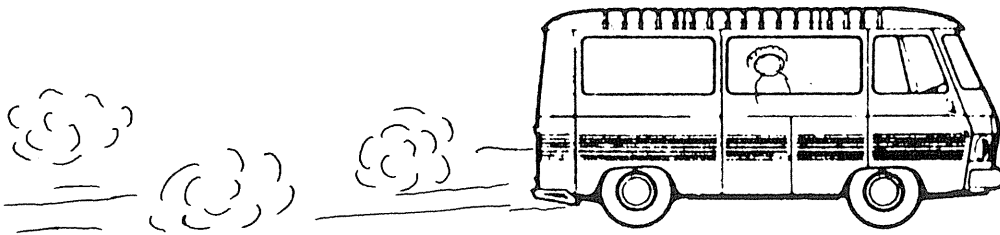

In some of these cases, teenagers have adjusted to their new lives but there are some who cannot adjust and turn wayward. Anyway, no matter what the consequences

are, try confiding in someone, a close friend or teacher or anyone whom you feel you can trust. Confide in that person, cry if you need to, let it all out and you will feel a whole lot better.

Taking the Wrong Bus in Error

It was a lonely evening. All my friends were out with their girlfriends and as a result, I had to go to the movies alone. The only ticket I could buy was a mid-night show. After an hour's nap in the cinema, I came out and found myself in great hunger. Being eager in getting home, I boarded a wrong bus accidentally. The trip was tiring and soon I fell asleep on the bus without realisation.

A loud roar of thunder woke me up. I noticed the bus was not heading for my house and decided to ask the driver why. I came to realise that I had taken a wrong bus. I alighted at the terminal hoping to take some other bus home but soon found that there were no more buses as that was the last bus. The path to the main road was dark and eerie. Lightning struck and soon rain caught up with me. Soon I reached the main road and began waving at passing vehicles.

Finally, a rich young lady driving a yellow BMW gave me a lift. As her fuel was running low, she suggested that I

stayed the night at her place and she would send me home the next day when she could refill her fuel tank. I gladly agreed and soon arrived at her big house. The house was filled with lots of antiques. Knowing that I was hungry, she cooked some steaks and we ate with wine. After a few drinks, I began to feel dizzy and a sense of lust arose in me. I suggested that we go to bed and surprisingly she agreed. As she began to strip herself, I found that she had no shadow. I tried to run but could not. It must have been the wine, I was lying hopelessly when she came forward. Being a coward, I finally fainted.

I woke up to find myself naked in a graveyard. I soon found my clothes hanging on a tombstone. I picked it up and saw the photograph of the lady I was with the day before. Finally, I reached home after 4 miles of walking.

周末逛百货公司

星期六下午，我从乌节坊一路逛下去，百货商店的橱窗琳琅满目，百货公司更洋溢着一片农历新年的气氛，使我目不暇给，尤其是到处人山人海的情景。

正逛得兴起时，看见附近的小商店围着一大群人在店门口，好象发生一场精彩的哑剧表演，我走近一看，原来一位店员正在应付另一位难缠的顾客，那位顾客因发觉物品有受到损坏而要求退货，但店员却坚持不同意，只说物品一出门不可退还，直到老板出来，才答应更换物品，使这场风波平息下来，依我看来这类事件将会时常发生。买好了过年的新衣和新鞋，接着也想为母亲办点年货，在忙乱而又热闹

的人堆里打滚真是别有一番情趣。在抢购年货的当儿，只听到有人喊道：“钱包！我的钱包！你不要跑！”转过头来看，只见一个人影以快速的身手奔跑着，当时的我目瞪口呆，心里想竟然有人如此大胆，在光天化日之下和众人眼前抢劫，竟然不把法律二字放在眼里，过后听见警察把劫匪捉拿归案，真是大快人心。

这个周末就在这种情况下渡过了，真是有惊无险。我觉得虽然警民很合作，但是防范胜于治疗，我奉劝大家如果“你不小心，盗贼开心”。

我怎样利用闲暇的时间

我最最喜欢闲暇时间了，因为我可以做很多很多的东西，但我最最嫌恶的却又是，我不大会利用宝贵的时间，以致时常在不知不觉中，虚度光阴。

学业固然重要，但身体也不该忽略。在闲暇时，我比较喜欢做做室内运动，锻炼自己瘦弱的身体，如举地俯起，仰卧以及跳蝇等，都是我最常做的运动。每逢星期天的早上，我总会和朋友去游泳，但坦白点地说，我还处于学习的阶段，惭愧的是，我还尚未克服怕水的心理障碍，每当要跳进水里时，心脏总会不自觉地加速跳动，我这时会紧闭眼睛，猛吸一口气，再“扑通”跳下刺骨寒水，真希望能早日掌握游泳的技术。

我最喜欢在闲暇时候阅读书籍，以增加知识。以前，倪匡的科幻小说，金庸的武侠小说总是我的良伴，自从升上中四后，肩上的担子

也加重了，因此，它们都远离我，改以英文书籍为伴，希望能够使我的英文进步。在阅读时，我会自然地扭开收音机，收听新加坡或英国广播电台的节目。我最专注于收听新闻报告，谈话及歌曲，聆听他们的发音、声调。眼睛疲劳时，我会把书放下，闭上双眸，仔细地听着旋律婉转，悠扬动听的歌曲。

我不时也会帮母亲做些家务，如整理报纸，收拾被单等简单的活儿，借以稍微减轻母亲沉重的负担。

中四的学习生活虽然繁忙，但如果能够安排适当的消遣活动，灵活地利用闲暇时间来松懈紧张的身心，必然会使我们更加精神奕奕，干起事来更加事半功倍。

倒霉的一天

由于圣诞节的来临，我不得不亲自赶去买礼物，就在这时，倒霉的事就不断地降临在我身上……

上了巴士我才发现乘车证忘了带，零钱又不够，结果我得向我的一元钞票告别了。

到了百货公司，我即刻赶到大减价部门，买下一个妈妈交代我买的烘烤炉。结果我得一整天抱着那架烘烤炉。逛了一整天，由于我觉得口渴，便前往附近的一间快餐店购买饮料，才喝不到两口，就给旁边跑动着的小孩推倒，饮料也就因此溅满了我的鞋子，由于鞋子里湿粘粘的，非常不舒服，于是，我便跑到洗手间里，谁知洗手盆太高，而我又不敢在那么多人的眼睛下把我的脚提到洗手盆里，所以我只好拖着那双粘贴贴的脚踏出洗手间。

才刚踏出厕所，就忽然被一股无比的力量推倒在地上，转过身来看，又是那几个小孩，我脾气正想发作，才猛然想起不知妈妈的烘烤炉有没有被摔坏，打开包装纸一看，烘烤炉好象没坏，但是……糟了！我忘了拿保证卡，于是我只好又冲向那间百货公司，幸好保证卡拿得回，要不然妈妈可要唠叨一整天了。

发生了那么多“不幸”的事后，我也无心再逛了，登上巴士，糟了，没带乘车证，零钱又是不够，那张一元钞票又要向我告别了！

回到家里，打开所有的东西细数一下，才发现漏了一袋上衣，我看一定是留在厕所里了。

啊！这真是非常倒霉的一天。

海边野餐记

人本来就是好动的，他绝不能在家里做个书呆子。所以政府为我们开辟了几个名胜地区，如西海岸公园，星和园，动物园……等等。

在这么多名胜地区中，最吸引我的地方是西海岸公园。就在一个秋高气爽的艳阳天，我跟几位朋友去海边野餐。在那儿，我们划船、玩沙、游泳……。可是我们心中都有一丝烦恼

，因为我们遇到一件不愉快的事（不便说出），不过，过后我们的烦恼都被海风吹到九霄云外去了，大家都尽情的玩乐。

黄昏的时候，我独个儿坐在沙滩上，欣赏那美丽的海景，看着红红的太阳慢慢的下山，照着蓝蓝的大海，海是那么的广阔，一望无际，天和海就好象连接起来，我看不到海的彼岸，只隐约看到停泊的几艘船。突然，一个浪涌来，我丝毫不去理会它，因为我歌颂海，赞美海，海是大地的儿女，它给我们无数的海产与宝藏。虽然，我赞美海，可是它是多么的无情，又一个浪涌来，弄湿了我的衣服和脚。

渐渐的，天色暗了下来，我们只好带着疲倦和依依不舍的心情离开了那美丽的海边。

我最喜欢的一部电影

在这五花八门的社会里，有许多形形色色的电影，例如：暴力片、喜剧片、武打片等，真是不胜枚举，而我本身比较喜欢喜剧片，但却被一部充满温馨，教育性的电影深深地吸引住了，那就是——孟姜女哭倒长城。

故事的内容是讲秦始皇统一中国后，因怕外族的侵略，而打算建万里长城来防范敌人有机可乘。秦始皇的霸道无理是众所周知的，因为长城的修筑，工程非常浩大，所以被迫去建长城的人多如恒河沙数。但能侥幸回家的人，真是寥若晨星，有一位少妇，也就是该片的女主角——孟姜女不怕千里迢迢，冒风踏雪，单枪匹马地到长城的工地去寻找夫君，谁料，丈夫经不起工作的考验，而客死他乡，孟姜女得知后，便哀号痛哭，这一哭，可说是惊天动地，把长城的一角给哭倒了，顿时，整个场面都充满了愁云惨雾，赚了观众的一把热泪。

这个脍炙人口的故事，不禁使我佩服孟姜女的勇敢及坚强的毅力。整个故事的情节非常动人，长城的雪景被导演拍摄得栩栩如生，而演员角色方面，大都非常称职，这也就是我被这部电影所吸引的地方了。

我

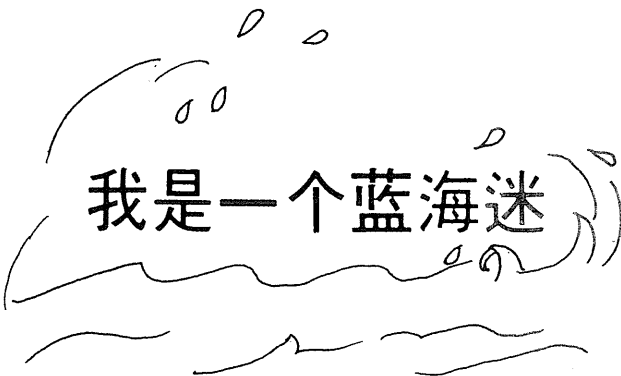

怎样利用闲暇的时间

周末，天刚破晓，我张着惺忪的眼睛，托着疲倦不堪的身子到学校去。今天那些没有课外活动的同学可把我给羡慕死了，可以暂时忘却一切恼人的功课，在温暖的床上和周公聊天，走进美丽的梦境。我在巴士车上不时地安慰自己“忍耐点，过了今宵，翌日的世界就由你掌权。”想到这，我顿时希望明天快点来临。

星期天起床给自己准备了一顿丰富的西式早餐，而家人都还在跟周公聊个没完没了，虽然说我可以跟他聊久一点，但我还是想享受一下早晨的阳光，聆听鸟儿的叫声。每逢星期天可说是我最丰富的闲暇时间，通常，吃过早点，我便把收音机扭开，一面听音乐，一面看报纸，等到太阳高高地挂在天空时，家里的成员都醒来了。这时候，弟弟这电视迷一定口也不刷，脸也不洗地跑到电视旁看卡通片，有时我也会坐下来一起观看，松懈一下自己。到中午时分，吃过午餐便躲进自己的房里，把门锁起来，拿了一些发黄的照片来看，虽然是很久以前的照片，但现在看却回味无穷；或者把音乐开得大大声，随着音乐大展歌喉，这时，天真的妹妹便会跑到母亲面前说道：“妈，姐姐做太多功课，现在发疯了，你赶快带她去看医生吧，不然她会越开越大声，会耳聋的。”我有时也拿纸来乱剪乱画，告诉你，有时候，收获还不错呢，把亲手做的或画的“艺术品”挂在房内，别有一番风味。就这样，一个风平浪静的星期天又过去了，我又得度过六天紧张，繁忙的日子，才能再次享受美好，属于自己的时间。

偶尔把一天的时间拿来自己做自己喜欢做的事情，缓和一下自己的情绪，我觉得也不是浪费时间，有时候也可以从在闲暇时间所做的事情得到一些启示，一些收获，不至于徒劳而归。

我是一个蓝海迷

大自然由原始而起，千载年来隐藏了许多扣人心弦的秘密，自然界的现象瞬息万变，也令人叹为观止。它所构出的现象形体皆为世人所激赏，那划过银河的流星，跨越云裳七彩的虹道，何止姿采美丽？我最倾心爱慕的却是占据世界多地的汪洋蓝海。

无边无际的大海，遥望多时始终寻不见彼岸，盈盈绿波忽起忽落，宛倾城倾国的美女舞姿优越。当千道金光交叉而过燃亮了水面时，大海回眸一笑，连潇洒的海鸥也不愿飞翔而去，我总情不自禁地愿拥抱它。迷上海洋因为它分享了我一世的悲欢喜怒，我所酷爱的诗词书籍，乐曲幻梦，它一一和我分享。

可知阔海浪潮中，纵然汹涌澎湃也流传过无数迷离故事。传说少女与水手相恋的故事，发生于海湾，遗憾的，大海不分皂白不动心于少女的千丝柔情，圈走了一段情缘。我总感觉蓝海之下一定有着许多幽灵，因为许多人总将短暂的一生随心身放弃于深海中。

我爱收集海洋特产，水草沙粒贝壳都那么娇小可爱。看着自己拥有了海洋的一部份，直感骄傲。每当夜幕低垂夕阳消逝前一瞬间，黄昏灿烂美景与盈盈大海互相媲美时，动人极了。骊歌奏起，海浪潮来潮去，见证了我一生的故事，它可晓得我为它着迷，甚至愿永远靠着它弯弯的手臂，我最亲爱的——蓝色汪洋大海

一个直实的故事

夜已深，正当我在温习功课时，忽然，从一本课本里，掉出了一张照片，这是我以前的佣人——阿珍姐。

阿珍姐是五年前，我爸爸所聘请的佣人，她为人和气，人又好，都怪我当时不懂事，把她给气走了……

和平日一样，她接我放学，在回家的途中，我看到一样玩具，但又知道妈妈是不会买给我的，所以，便叫阿珍姐买给我，由于她身上所带的钱不够，所以就不买给我，这时，我气极了，头也不回，就跑回家了。从那天起，我对阿珍姐怀恨在心，不管什么事，都故意为难她。

有一次，我在家里打球，阿珍姐劝我不要在屋里打球，我就是不听，结果，打碎了一个妈妈最喜欢的名贵花瓶，这时我急得象热锅上的蚂蚁，我急忙把碎片拾起来，并叫阿珍姐不准告诉妈妈，妈妈回来时，看不到花瓶，便责问阿珍姐，珍姐在妈妈的追问下，终于实话实说了，妈妈气得不得了，便把我打了一顿，那时，我气得把珍姐当仇人看待。

有一次，她拿了一个名贵的杯子，从厨房走出来，我躲在她背后，突然跳了出来，吓了她一跳，杯子就从她手中掉了下来，碎去了，我连忙向爸爸告状，说是阿珍姐自己弄破的，爸爸不分青红皂白，便责骂她，还说要扣她的薪水。

直到有一天，她告诉爸爸，她要回马来西亚去了，因为家里有一个老母亲和九个弟妹，全靠她养活，现在母亲病倒了，要她回去照顾。

这时，我心有如刀割，我后悔我以前所做的事，觉得很对不起她，我苦苦哀求，请她留下，但还是没有用……

想到这儿，我的眼泪已湿透了照片。我对不起你，阿珍姐！

令我失望的一件事

在人生的旅途中有顺境，也有逆境；有得意，也有失意。在我们所接触的事物中并不是每一件都能圆满实现，难免令人失望的事也少不了，而多少眼前美好的时光我并不去珍惜，却在失去的一刻懊悔不堪，至今取而代之的是一份浓浓的哀伤。

回想起小学时，我结交了一位要好的同学，他是一位香港侨生，我们俩可说是志同道合，到那里去那里都少不了另一半。我们经常在一起做功课和准备测验，甚至放学回家都一直在通电话，好象有诉说不完的话似的，我们之间的友谊与日俱增，而且也成为班上最多话也最要好的知己。直到会考过后，我们相处的时间也就加长了，每天在回家的那一刻总是依依不舍地离开。

当会考成绩公布时，我们都分到不同的学校，起初，他总对我说在校中难找到一位知己，但紧紧只是过了半年后……，在某一天中我打电话给他想约他出来，他却气愤地说：“我没时间，以后也请你别再打电话来了。”就这样挂断电话，当时伤心而又疑惑的我不敢相信自己所听到的，因而再次地打去问个究竟，但只有让我更伤心的是他不愿说个明白，我问他难道这一段长久培养的友情就此断绝吗？他依然不回答，使我失望的是，难道他就这样了结了这段友情吗？难道就让一切的过去如此地消失吗？难道……。

也许，人情是古人所说的那样“似纸张那么薄”。人生也就是如此，经过热闹一场又回归于平静。如今这一段心酸的往事又在我心湖中掀起一层层的涟漪。

我最喜欢的一部电影

我是一个很喜欢看电影的人，无论中国电影、英语片或者香港惹笑电影，我一律都喜欢看。说到我最喜欢的电影，那我就不能不说那部中国电影“高山上的花环”了。

虽然这部电影已经看过有好几年了，但至今仍然记忆犹新。在故事方面，这部戏是描述军人打战的情形，但也有对兄弟，亲情等地方的述说。在打战的那几段场面，由于他们有实景拍摄，所以分外感到自然，有真实感。在情节方面，每一场戏都让人很感动，也令人觉得他们不是在演戏，而是在活生生的社会里。

在挑选演员方面，饰演连长的演员做得很称职，外型也是很相似，全部戏份都集中在他身上，演技也发挥得不错。说到演技发挥得淋漓尽致，不是年轻一辈的演员，而是演连长母

亲的那位演员，她把那种想留儿子在身边但不想儿子逃避责任的那种心情，表露无遗。所谓“姜是越辣越好”，这句话说得一点都不错，由他们两个演出母子真是恰到好处。饰演妻子的也不错，很能表现贤淑的一面，也能表现丧夫但又不悲伤的样子，令人很感动，使每个人都流下同情之泪。

整部戏拍得有血有泪，灯光，音响效果，化妆，服装，外景以及演员都做得不错，虽然这部戏很少人欣赏，但闻说这部戏在中国获得多项奖，真是实至名归。

我喜欢这部戏是因为剧情感人，情节紧凑，演员演得称职，是我喜欢的一部艺术电影。

倒霉的一天

似一个明媚的晴天，炎热的黄金色阳光洒落了满地。换上了一套我最心爱的衣服，便带着愉快的心情应邀去参加朋友的生日舞会，我踏着轻快的脚步走向巴士车站，顺利地搭上了巴士，真不巧我是唯一站立着的搭客，而坐在我面前的一位女士却痴呆地望着我。

过了一会儿，她竟莫名其妙地对我破口大骂，搞得我一头雾水，这时搭客们都奇怪地瞪着我。而那位女士却一会儿低头喃喃自语，一会儿又对我大骂，经过许多猜测我才想到她或许神智不清。到了目的地，我迫不及待地跳下车，走入了新建的组屋区，我在里边兜了几个圈，好辛苦才摸上朋友的住所。

喘着气，我跌跌撞撞地走入门，不小心撞着了捧着汽水的伯母，她身体一弯，撞着了一对正在跳舞的男女，那对男女各自向后倒，跌向别人身上，把大伙儿弄得一团糟，这时大家

都不约而同地望着我，我唯有尴尬地躲在一个角落，饥饿的肚皮一直等待切蛋糕的时刻来临。

为了弥补我刚才的过失，我提出为寿星捧蛋糕出场的要求，捧着精美的蛋糕，我沾沾自喜地走入人群中，冷不防我抖了一下，整个人连同蛋糕摔倒在地上，我不但把美丽的套装弄得奶油油，那甜美的蛋糕也被我毁了，此刻我比主人更加不好意思，迅速地帮着收拾残局。

我的到来把热闹的生日舞会气氛弄得一团糟，使我感到无地自容，朋友脸上虽没有表示什么，但我也不便久留，于是我匆匆地什么也没吃喝就向朋友告别。

午夜梦回我还作了一个恶梦，梦里那位疯女士，我的朋友和伯母及那些男女都怒恶地冲着我来……

“亚逸拉惹区发动。救济菲灾民。收集旧衣物义举。获广大居民支持。至下午三时已收到五百箱。”看了晚报这则新闻的大标题，我已被他们的义举所感动。

内容的报导是：“亚逸拉惹区的基层组织在今天进行收集旧衣物的工作，以便救济在去年十一月遭风灾蹂躏的菲律宾南部灾民。一些热心居民也把旧衣物装袋，亲自送到各收集中心去，直到下午三时为止，各收集中心已收集的旧衣物共达五百箱，比上一次收集到的还要多。”

我看了这整则新闻以后，真后悔当天没有到该区去帮忙他们收集旧衣物，这样也可以做些公益事。我认为此项义举可以使居民们体会和关心邻国人民的苦难，也促进各国国民之间的合作精神。

报纸还把当时的情形拍下来，刊登在报章上，在照片上可看到他们埋头的把旧衣物装进纸箱里，也可看到堆积如山的旧衣物，这也就是他们的工作成果，同时也配合了居民的新年大扫除工作，因此而获得热烈的反应。

我很钦佩他们这种精神，也希望各区也能组织一些类似的活动，让居民们参与，这当然不只是给了衣物就算，而是要到各组屋去协助收集，发扬居民间的合作精神，当然基层领袖的领导也是很重要的。

政府也应该奖励他们的行为，以让更多人参与这类义举。

周末逛百货公司

“喂，什么，你还在家，我限你在半个钟头内到‘威士马广场’，要不然我们就到你家来拆你的房子！”唉！又是我的那群损友，没办法，谁叫我答应过在周末陪他们去逛百货公司呢？

换上了我的奇装异服后，我便起程到巴士车站去，到了车站时，路人都对我投以轻蔑的眼光，但我对这些眼光已经感到习以为常了。到了‘威士马广场’后，那里已站满了衣着和我差不多的青少年，到了这里我才感觉到自己属于这个社会。见到了我的那群朋友后，他们都‘妈’声四起，我象犯了滔天大罪似的向他们道歉后，他们才停止为我的妈妈作文章。我们在那里坐了一会儿后，便提议上楼去看衣服，我们男女分成两组，男的看男装衣服，女的

则去看女装。我们这群捣蛋鬼一边看衣服，一边作弄女生，有一个女生竟向我们骂粗话呢！到了三楼时，那里挤满了人群，人声掺杂着汗臭搞得那儿活象个人间地狱。忽然，有一个中年妇女大喊‘扒手’，接着每个人的眼睛都不约而同地望向我们，我们也知道他们的心里一定是在想那扒手就是我们，幸好，我们当中有一个见到那扒手偷钱，我们便合力去捉他，这时，人群里也有些人来帮忙，我们把他捉到保安室后，便各自回家去。

我觉得我们虽然穿着奇异，但我们却不作坏事，人们不该以有色的眼光来看我们。

Mendung Telah Berlalu

Tempat: Di Sebuah rumah privet.

Masa: Pukul 2 pagi.

Pelakon: Encik Damar, Cik Dahlia, Yusof, Liesda, Dina dan Faizal.

(Cik Dahlia sedang sakit kuat di rumahnya. Liesda dan Yusof sedang menunggu adik perempuan mereka pulang.)

Bunyi jam: Tik Tok.

Liesda : Tengok tu dah pukul 2 pagi, Dina belum balik lagi. Dia tidak tahukah mak sakit.

Yusof : Anak manja! Kalau hendak ikutkan hati, lebam biji mata dia! Kurang ajar!

Liesda : Alah! Dulu abang juga berikan dia apa yang dia minta, tanpa mengetahui apa yang di lakukan di luar rumah. Abang yang salah kerana memberikan dia kebebasan yang keterlaluan.

Yusof : Engkau juga apa kurangnya! Membelikan baju-baju yang terlalu mendedah aurat. Ah! Kau sama juga Liesda!

(Yusof membentak meja dan masuk ke bilik. Liesda tenang saja. Pada masa itu Encik Damar keluar dari bilik.)

Encik Damar : Liesda, ayah menyesal kerana memberikan Dina kemanjaan yang keterlaluan. Ayah menyesal!

Liesda : Tidak guna ayah tangiskan! Nasi sudah menjadi bubur.

Dina : Kak Lies, buka pintu ni! Dina balik!

Liesda : Pukul berapa sekarang Dina?

Dina : Kenapa kak? Masih siang lagi. Ni hah! Faizal yang hantar balik.

Faizal : Selamat malam Encik Damar, kak Liesda.

Liesda : Faizal, kau baliklah sekarang, Hari dah larut malam.

Faizal : (Khairanan) Kenapa kak? Tidak apalah, Dina I balik dulu.

Liesda : Dina kau bersihkan diri dahulu-lepas itu kau duduk di sini. Kak hendak cakap sikit.

Dina : Alah kak! Bukannya kakak tidak tahu, Dina penatlah lepas parti tu. Dina hendak tidurlah. Ayah pun satu, kenapa tak tidur?

Encik Damar : Dina...ah! Liesda kau sajalah yang cakap. Aku tak kuasa lagi.

Dina : Apa ni kuasa-kuasa? Merepeklah!

(Yusof keluar dari biliknya dan mengherdik adiknya, Dina)

Yusof : Dinal! Kau dah kurang ajar ya! Diberi betis nak paha. Anak dara apa kau ni. Pukul 2 pagi baru balik??? Jalan dengan jantan mana agaknya?? Kau belum rasa lagi pelempong aku ni Dinal!

(Hati Dina semakin kecut. Tidak berani dia melihat muka abangnya yang sedang melenting)

Yusof : Mak sakit, kau tak peduli. Kau tahu makan, sekolah, merayau, makan, sekolah, merayau! Hei! Kau masih ada rumah tau! Jaga sikit imej kau sebagai anak dara!

Dina : Bang! Kenapa baru sekarang? Saya rasa sudah lambat untuk menarik benda yang sudah

terlajak. Apa yang saya buat, mak tidak larang pun walaupun dia sedang sakit! Jadi, apa yang abang bising-bising tengah malam buta ni. Jagalah sikit imej abang sebagai peguam!

Liesda : Dinal! Tidak baik kau cakap begitu. Mintalah maaf kepada abang.

Dina : Sudahlah kak! (Menuju ke tempat telefon dan jarinya pantas memicit butang.) Hello! Faizal ada? Zall! Tolong tunggu di tempat biasa, 5 minit dari sekarang! Bingitlah telinga ni, o.k. Bye!

(Dina terus ke biliknya dan menguncinya.)

Yusof : Tengoklah tu! Tidak boleh dimarah langsung! Bingitlah, bisinglah! Sudahlah Liesda, tidurlah! Esok pagi mesti angin dia hilang! Biarlah!

(Jam dinding menunjukkan pukul 2.30 pagi Dina telah keluar dengan senyap-senyap dan pergi menemui Faizal yang tinggal tidak jauh dari rumahnya.)

Faizal : Dina, kenapa? Aku dengar abang kau bising-bising tadi di telefon, kenapa?

Dina : Bosanlah! Bosan! Sekarang baru dia hendak sekat kebebasan aku! Ingat aku ni apa? Binatangkah? Boleh ditahan-tahan! Bodoh!

Faizal : Abang Yusof marah kau balik lambat?

Dina : Entah! Angin apa yang masuk dalam badan dia? Sampai nak terkeluar biji mata dia tengkok aku!

Faizal : Patutlah kak Liesda tadi macam lain sahaja. Habis apa yang kau hendak buat sekarang?

Dina : Aku nak tidur di rumah kau 'boleh' kan?

Faizal : O.K-lah! Rumah aku pun ada bilik kosong. Tapi mak kaukan sakit? Kau sanggup biarkan dia begitu?

Dina : Sakit dia, sakit dibuat! Sakit biasa. Alah, kalau aku sakit, dia tak pernah pun merawat aku. Asyik sibuk dengan persatuan, persatuan. Bosan! Apa yang aku nak kisah!

Faizal : Kau punya pasallah, asal kau bahagia sudahlah. Mari kita balik!

(Burung sedang berkicauan riang. Suria pagi telah menjelma menandakan bermula lagi suatu kisah. Liesda, Yusof dan Encik Damar sedang melaksanakan tugas masing-masing. Jam menunjukkan pukul 8 pagi.)

Liesda : Bang, saya harap Dina dapat memahami kehendak kita sekarang. Ayah dah tua dan tak kuasa lagi dengan kerenah Dina.

Yusof : Abang tahu. Tapi kita cuba sedaya upaya untuk menasihati Dina. Hail! Pergi panggil Dina, sudah pukul 8.30 pun belum bangun lagi?

Liesda : Bang, yang sudah tu sudah. Janganlah marah dia lagi.

Yusof : Tengoklah.

(Liesda membuka daun pintu perlahan-lahan tetapi terkejut kerana bilik itu kosong.)

Liesda : Bang! Bang! (Berlari-lari mendapatkan Yusof)

Yusof : Ada apa ni? Terpekik-pekik!
 Liesda : Dina! Dina!
 Yusof : Kenapa?
 Liesda : Dina dah lari!
 Uusof : Budak bertuah! Dah nak tunjuk 'terror'. Dia mesti di rumah Faizal.
 Liesda : Hei! Mana abang tahu?
 Yusof : Siapa lagi kalau tak si Faizal? Anak dara tak tahu malu!
 (Sambil dia mengomel, jarinya pantas memicit butang telefon.)
 Yusof : Hello! Saya abang Dina, Yusof. Faizal ada?
 Faizal : Faizal sini. Ada apa bang Yusof?
 Yusof : Kepala hotak kau! Mana Dina? Aku tahu dia tidur di rumah kau, mana dia?
 Faizal : Bertenang bang. Pekak telinga saya ni. Dina memang tidur di sini tapi berlainan bilik. Pagi-pagi lagi dia dah pergi...
 Yusof : Pergi ke mana? Cakap cepat!
 Faizal : Dia pergi ke rumah Aunty Velle, ibu angkat dia. Dan dia pesan dia tak hendak balik lagi sehingga dia fikir, dia hendak balik, dia balik. Kalau tidak, dia akan tinggal dengan Aunty Velle untuk selama-lamanya.
 Yusof : Celaka! Faizal, kau tahu di mana rumah Aunty Velle?

Faizal : Maaf bang, walaupun sudah 2 tahun saya kenal Dina, tapi saya tak tahu rumah Aunty Velle.
 Yusof : Terima kasih Faizal.
 Faizal : Sama-sama bang.
 (Yusof meletakkan gagang telefon dan menumbuk-numbuk meja tanda dia marah dengan sikap Dina.)
 Liesda : Mana dia bang?
 Yusof : Di rumah Aunty Velle.
 Liesda : Siapa dia?
 Yusof : Ibu angkatnya.
 Liesda : Kan dia masih ada emak?
 Yusof : Kenapa tanya saya?

(Semenjak hari itu, Yusof, Liesda, Encik Damar cuba membaiki kesilapan masing-masing. Cik Dahlia sudah beransur baik dan telah mengundurkan diri daripada bidang yang diceburinya. Mereka menunggu Dina dengan hati tenang dan sabar. Lebih kurang 6 bulan kemudian, Dina pulang ke pangkuan keluarganya selepas Faizal memberitahunya tentang perubahan yang berlaku di rumah Dina. Dina pun hidup bahagia di samping keluarganya selepas masing-masing memahami kehendak dan perasaan masing-masing.)

'IBU'

(Kenanganku melahap wajah ibu, semakin tua...semakin melambung: kerana Ibu hanyalah satu)

Gendongan Ibu adalah rancangan nasibmu
 Yang diserahkan ketika engkau bisa berfikir
 Yang kau rubah ketika engkau pandai memungkir.
 Air susu ibu ialah ilmu yang sempurna
 Yang dikururkan dari talang budi
 Meski akhirnya kautumpahkan lagi
 Habis terserap di muka bumi.
 Air mata ibu ialah
 Sungai bening yang mengalir
 Yang mengusahakan kehidupan ikan-ikan
 Dalam kemarau panjang
 Yang entah akankah berakhir.
 Kasih ibu adalah kasih yang tulus
 Kasih yang keluar dari lubuk hati
 Kasih yang tak dapat dikira, tebak
 Atau dibeli dengan wang, emas atau berlian.
 Ibu adalah matahariku
 Yang selalu bersinar
 Sejak aku dikandung, dilahirkan,
 Diasuh dan dididik dengan cinta
 Cinta yang tak pernah padam

Cinta sejati sepanjang masa
 Yang tak akan kulupakan
 Sampai maut merenggut nyawaku.

'AYEZ, Sahabatku yang tak pernah ada...'

Ayez sahabatku sayang,

Apa khabar? Semoga sahaja kau dalam keadaan baik-baik selalu! Bagaimana pula keadaan di sana? Aku kira cukup menyenangkan ya? Kalau tidak...masakan tak pernah kuterima sepucuk surat sekalipun daripadamu? Entah kenapa, tiba-tiba aku merasa rindu sekali kepadamu!! Mungkin bayang-bayang pelangi di ujung sana yang mengingatkan aku akan tawamu, senyum ceriamu, dan cerita-ceritamu.

Renyai hujan sore baharu sahaja reda, semilir angin sejuk sedetik yang lalu menghempaskan diriku. Terasa dingin menggigit tulang-sendiku. Namun...sang surya masih sahaja dengan ceria bersinar; walau pancaran sinarnya tidak terik, seperti hari-hari kemarin. Kicau riang burung-burung Gereja yang terdengar dari balik rimbunan pokok Akasia, yang tum — buh subur di halaman rumahku, menerbitkan alunan nada-nada lagu yang indah. Sungguh merdu!! Sayang engkau tak dapat menyaksikan pemandangan yang sungguh-sungguh indah inii!

Tanpa kusedari, satu tahun telah pergi dengan begitu sahaja. Tiga-ratus-enam puluh lima hari telah lewat. Dan kita tidak pernah bertemu, walau hanya seminit sahaja!

Dulu kita selalu bersama; belajar untuk menghadapi ujian atau peperiksaan, berenang, bersenda-gurau, atau selama berjam-jam berbual-bual sahaja. Kita membahas beragam macam duduk persoalan; tentang jutaan manusia yang kurus-kerontang kerana kelaparan di Ethiopia, atau pun tentang perang di negara Timur — Tengah yang seolah-olah tak pernah usai. Akibat peperangan itu, entah sudah berapa juta nyawa manusia tua mahu pun muda hilang akibat tembakan peluru yang seperti tak pernah berhenti mendesing. Atau dikeranakan ledakan bom?

Ayez manis,

Masih ingatkah engkau : ketika kita sering memancing ikan di longkang kecil namun berair jernih di depan rumah Mak Arini, wanita lebih setengah abad dan pemilik hati yang seputih salju jua selembut kapas itu?

Dulu kita selalu bersorak gembira, apabila Mak Arini, yang terkadang pula sering menemani kita memancing ikan... menyediakan berbagai — macam kuih-kuih lazat tradisional Indonesia, setiap kali kita usai memancing. Entah sudah berapa puluh kali beliau dengan sendu mengucapkan kata-kata imajinasi ini, Yez:

“Andaikata Ayez ada di sini, tentu dia akan bercerita segala hal; tentang kucing mungilnya, Pitik, yang bersahabat dengan kucing tetangga, si Cipluklah...atau memberitahu cerita-cerita jenaka atau pun teka-teki aneh, he-he-he. Seperti juga tanyanya. Apakah bahasa Jepunnya binatang berekor seratus?? Yang jawabannya : 'KURASATAKADA'...yang sama sahaja ertinya dengan bahasa kita : kurasa tak ada!! he-he-he...Ada-ada sahaja! Sayang dia tak berada lagi di antara kita ya, Lina?”

Desahan nafas tuanya pun dapat kudengar, Sahabat... beliau juga rindu padamu. Sekarang telah bertambah banyak sekali kerut-kerut di wajah beliau, menandakan bertambahnya usia beliau. Sahabat,

Sekarang aku sering merasa sakit sekali, bagaikan ditusuk dengan sebilah samurai tajam apabila melewati tepian longkang itu. Kini ikan-ikan kecil berwarna-warni di sana, dapat kembali berenang hilir-mudik dengan bebas, tanpa harus waspada

menghadapi mata kail kita. Di sana jua kita sering berbagi duka dan cerita. Hal itu tak bisa lagi kulakukan sekarang, namun bayang-bayangmu, senyum genitmu, tawa renyah dan suara merdumu selalu terbayang di telinga dan pelupuk mataku, Yez.

Ayez yang baik,

Engkaulah satu-satunya sahabat yang sejati. Engkau selalu membantuku memecahkan berbagai persoalan dan menyenangkan hatiku dikala rasa sedih menyesaki diriku.

Sedangkan aku? Tak ubahnya seperti salah seorang manusia yang angkuh, egois dan mementingkan diri sendiri! Terngiang kata-katamu ini dielingaku sahabat: Tak ada manusia yang jahat di dunia ini; yang ada hanyalah segelintir manusia yang tak dapat menahan nafsu duniawi yang selalu menggoda dirinya. Itu benar, sahabat...

Memang kurasakan perubahan drastis dalam tubuh mungilmu; kau kurus dan mukamu sering pucat. Terkadang kau mengeluh akan rasa sakit yang teramat sangat kurasakan di kepalamu. Tapi kau tetap tegar, bagai batu karang tak terkikis oleh deburan ombak di laut. Kau selalu menutup-nutupi rasa sakit itu, bersikap seperti biasa. Setiap kali kucuba mengetahui lebih jauh tentang penyakitmu itu, kauselalu mengelak, mengalihkan pokok percakapan. Dan bodohnya aku segera tenggelam dalam cerita-ceritamu dan seketika pula melupakan hal tentang penyakitmu itu.

Akan tetapi kau tetap sahaja gigih berlatih renang. Walau kau secara diam-diam mesti pergi berubat ke rumah sakit dan diwajibkan untuk minum beragam-macam jenis ubat anti-biotik. Yeah...itu semua kausembunyikan daripadaku. Itu-kah erti persahabatan yang terbina di antara kita? Kenapa tak kau-biarkan aku untuk turut merasakan pedih dan tajamnya pedang penyakit jahanam itu? Mengapa, Sahabat???

Kini nasi telah menjadi bubur, dan rasa sesalku telah mulai mencair. Aku sedar, engkau adalah seorang yang berpendirian kuat; kau tak ingin dikasihani 'kan?

Ayez yang tabah,

Ternyata usahamu tidak sia-sia. Kau terpilih menjadi wakil perenang negara kita dalam pertandingan pesta sukan yang diikuti beberapa negara mancanegara lainnya. Itu berarti engkau harus menambah-kerapkan latihan renangmu. Tidak kau-hiraukan teguran kedua orang tuamu atau pun larangan-larangan doktor yang merawat penyakitmu tanpa pengetahuanku. Tidak jua kau patah hati kerana rasa sakit yang menggerogoti sel-sel otakmu. Barah otak durjana itu!!

Sampai akhirnya hari pertandingan itu sampai. Secara kebetulan, negara kita yang mendapatkan kehormatan untuk menjadi tuan-rumah pesta sukan itu. Dengan pasti kaujejaki medan pertandingan, penuh rasa percaya diri dan keyakinan jua semangat besar, kau pun bersiap-sedia.

Pertandingan renang gaya 'bebas' puteri 200 meter berlangsung begitu mencabar. Alhamdulillah dapat kau selesaikan dengan sangat sempurna; kau meraih medal emas!! Hasil yang tidak pernah dibayangkan oleh negara kita. Yang mengejutkan...engkaulah perenang termuda yang mengikuti pertandingan itu. Sungguh mengagumkan! Namun petang itu pula engkau tak kuasa lagi menanggung rasa sakit yang tak terkira itu!!

Kau masuk ke dalam kamar operasi malam itu pula, dan...tak pernah sedarkan diri lagi. Kau pergi meninggalkan

semua.
Sahabat,

Memang tak ada kejayaan tanpa pengorbanan. Engkau adalah seorang pahlawan muda, engkau mengharumkan nama bangsa dan seluruh rakyat negara kita. Sayang...tak dapat kaunkmati segala jerih-payahmu; yang kaubayar dengan nyawamu. Selamat jalan, Sahabat. Tak 'kan kulupakan segala hal tentang dirimu!!

Ayez manis,

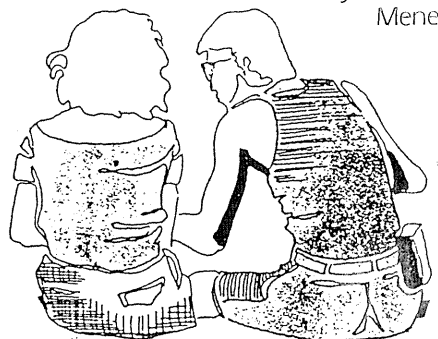

Dengan sedih terpaksa kuakhiri surat ini. Aku tahu tak akan pernah dapat kukirimkan ke istanamu di sana. Salam teramat manis tolong kausampaikan kepada teman-temanmu di sana

yeah? Sampai jumpa di surat yang lain, Sahabat!!

Salam sayang,
Lina Chandra.

(Buat: Kesemua saudara perempuanku dan semua teman-teman yang manis.)

“Benteng Kasih”

Suasana pagi itu sungguh indah. Wajah emas matahari tersenyum di langit, menyalakan siang dengan ketawanya. Burung-burung yang bertenggek pada dahan pohon menyanyikan lagu yang riang. Udara pagi terasa sejuk dan nyaman.

Selalunya setiap hari Rabu, Laira akan masuk ke kelasnya pada pukul lapan pagi. Tetapi pagi itu, anak tunggal kesayangan Kamsan dan isterinya, Timah, sedang sibuk menghabiskan kerja sekolah yang belum diselesaikan semalam.

“Laira,” sahut Timah dari ruang dapur memecah keheningan rumah besar dua tingkat yang tersergam indah.

“Laira turun cepat! Nanti lewat ke sekolah,” bentak ibunya.

Laira mencapai beg sekolahnya lalu bergegas keluar meninggalkan tempat tidurnya.

“Selamat pagi mama,” ujar Laira sambil mengucup pipi lembut Timah yang menjangkar usia 37 tahun.

“Lima minit lagi pukul lapan. Apa kau buat tadi Laira?” soal Timah lembut sambil memandang ke arah Laira.

“Em... Ini ha. Laira lupa mana Laira selitkan duit sepuluh dolar yang mama beri tempoh hari,” jawabnya ketakutan sambil menggaru kepala yang tidak gatal.

Laira merenung wajah ibunya yang tidak bersalah lalu menjamah kuih lapis legit kegemarannya. Dia amat kesal atas perbuatannya membohongi ibunya. Timah meletakkan sepuluh dolar di tepi secawan kopi.

“Dah cepat-cepat bersarapan tu. Nanti Pakcik Aman hantar Laira ke sekolah. Ayah kamu... sudah pergi ke pejabat sejak tadi. Ada hal mustahak pagi ini katanya. Jadi tak sempat dia menghantar kamu,” beritahu Timah pada Laira.

“Air lagi Laira,” sampuk Mak Ina orang gaji Timah.

“Tidak Mak Ina,” jawab Laira lembut kepada Mak Ina yang amat dia sayangi seperti ibu kandungnya sendiri walaupun hanya seorang gaji.

“Oh ya! Pukul berapa kau pulang dari parti semalam,” soal Timah.

“Em... pukul sepuluh setengah malam Mama,” jawabnya seperti acuh tak acuh.

Mendengar penjelasan anak gadisnya itu Timah mengetap bibirnya sambil merenung jauh memikirkan tanggungjawab keibuannya.

“Mama bukan tak kasi kau bercampur dengan kawan-kawan. Pergi ke parti di sana sini. Tapi Mama takut pelajaran kamu terganggu,” ujar Timah.

“Mama sibuk dengan perniagaan Mama. Ayah kamu sibuk dengan urusab pejabatnya. Jadi masa yang ada Mama beri untuk kamu, kamu pandai-pandailah membahagikannya. Kamu sudah besar panjang. Bukan anak kecil lagi yang mesti Mama tumpukan setiap perhatian Mama kepada kamu. Jangan asyik nak berparti-parti sampai lupa pelajaran kamu,” leter Timah panjang.

Kedengaran hon kereta di tengah-tengah perbincangan antara dua beranak. Laira mengucapkan selamat jalan kepada ibunya lalu berlari-lari anak menuju ke kereta Volvo jenis baru berwarna putih kepunyaan ibunya hadiah perkahwinan daripada ayahnya yang dipandu oleh Pakcik Aman drebar ibunya.

Makan tengahari telah disaji oleh Mak Ina untuk tuan rumahnya bertiga. Timah bersiap-siap berkebayu merah jingga turun dari biliknya.

“Kak Ina saya nak keluar. Kalau Laira pulang nanti katakan saya ada jamuan bersama rakan-kongsi niaga saya di hotel,” jelas Timah kepada Mak Ina.

“Baiklah,” jawab Mak Ina.

“Saya jalan dulu ya,” sapa Timah.

Kereta Volvo meluncur terus hilang dari pandangan Mak Ina. Mak Ina masih tercegat di-ambang pintu ruang tamu.

“Seorang saja,” tegur Laira sambil menepuk manja bahu Mak Ina kesayangannya.

“Oh! Laira. Mak Ina ingatkan siapa,” ujar Mak Ina.

“Mama mana Mak Ina?” soal Laira.

“Mama kamu ke majlis jamuan di hotel. Dia suruh kamu makan tengahari di rumah,” sahut Mak Ina sambil

matanya digosok kerana pedih.

"Ayah pun tak balik makan juga?" cebik Laira.

Orang tua separuh umur itu tersenyum sinis sambil menggelengkan kepala mendengar hujah anak gadis yang disedarinya memang bijak.

"Laira makan sajalah. Ini Mak Ina 'dah masakkan laut kegemaran Laira udang masak merah. Segar udang ni; Mak Ina beli tadi," pujuk Mak Ina.

Tidak membuang waktu Laira menjamah udang masakan Mak Ina. Dia tahu masakan Mak Ina lazat-lazat belaka. Sungguh membuka selera.

"Mak Ina, Laira nak keluar dengan kawan ke Pesta harijadi," ujar Laira.

"Kalau Mama Laira tanya?" soal Mak Ina.

"Kalau Mama Laira tanya Mak Ina kata Laira pergi belajar di rumah kawan," sahut Laira pantas.

"Mak Ina takut nak cakap boh. . .," belum sempat Mak Ina habis bercakap, Laira sudah dulu menyampuk.

"Mak Ina sayangkan Laira?" soalnya "Kalau sayang beritahu Mama apa yang Laira telah beritahu Mak Ina, OK?" pujuk Laira berkali-kali.

Mak Ina terpaksa mengalah dengan perbuatan anak gadis belasan tahun Kamsan dan Timah. Kalau ibu dan ayahnya tahu alamatlah gadis itu dikerjakan mereka.

"Lebih senang membela lembu sekandang daripada menjaga anak gadis seorang," keluh Mak Ina.

Malam begini suasana dibaluti kesunyian. Kamsan sedang berehat di ruang tamu sambil membaca surat-khabar sementara Timah sedang membantu Mak Ina menyiapkan makan malam.

"Timah, mana Laira? Tak mahu makankah dia?" soal Kamsan lalu beredar dari ruang tamu menuju ke dapur.

"Laira belajar di rumah kawan," jawab Mak Ina.

"Sudah pukul berapa ni," ujar Kamsan.

"Sejak bila dia keluar?" soal Timah ringkas.

"Selepas makan tengahari," terang Mak Ina.

Selepas makan malam, Kamsan dan Timah menonton televisyen. Mak Ina menghantar dua cawan kopi untuk sepasang suami-isteri. Mak Ina bergerak ke dapur tanpa berlengah-lengah untuk menyusun pinggan-mangkuk yang telah dibasuh oleh Timah.

"Naik kelat biji mata saya. Biar saya masuk tidur dulu," rungut Kamsan.

Langit malam kelihatan kelam, kerana bulan dan bintang telah merajuk dan menutup wajah dengan awan yang hitam. Hembusan bayu malam membelai wajah Timah dengan mesra.

"Mana Laira belum pulang-pulang lagi," ujar Timah.

Mendengar itu Mak Ina rasa tidak sedap kerana tidak mahu memberitahu perkara sebenar.

Daun pintu ditolak perlahan dan Laira masuk ke rumah berjingkit-jingkit.

"Pukul berapa sekarang Laira," soal Timah garang.

Lampu diruang tamu dinyalakan.

Laira tercegat di tepi televisyen.

"Ke mana kau baru pulang malam-malam buta begini," tengking Timah sambil merenung tajam wajah anak gadisnya.

"Sudah pukul satu ini! Ke mana kau hah," soal Timah.

"Ke . . . ke parti harijadi," jawab Laira.

"Berparti sampai pagi. Dah nak mampus?" suara Timah tegang.

"Sudahlah Cik Timah. Sudahlah tu. Semuanya dah terlambat," sahut Mak Ina.

"Apa maksud Kakak," soal Timah kepada Mak Ina.

"Cik salah mendidik anak. Maaf jika kakak masuk campur urusan kamu dua beranak," ujar Mak Ina.

"Apa riuh-rendah ini," sahut Kamsan sambil menggaru kepalanya yang tidak gatal.

"Ini ha anak awak baru pulang," jawab Timah sambil mengesat airmata yang jatuh ke pipinya.

"Kau ke mana Laira, baru pulang," soal Kamsan.

Laira diam membisu seribu kata.

"Eh! Ayah tanya!" tengking Kamsan.

"Pergi ke parti ayah," ujar Laira tersedu-sedan.

"Mengapa Mak Ina kata dia belajar di rumah kawan-nya," soal Kamsan kepada Mak Ina.

"Saya yang bersalah ayah," sampuk Laira.

"Laira yang menyuruh Mak Ina kata begitu," terang Laira.

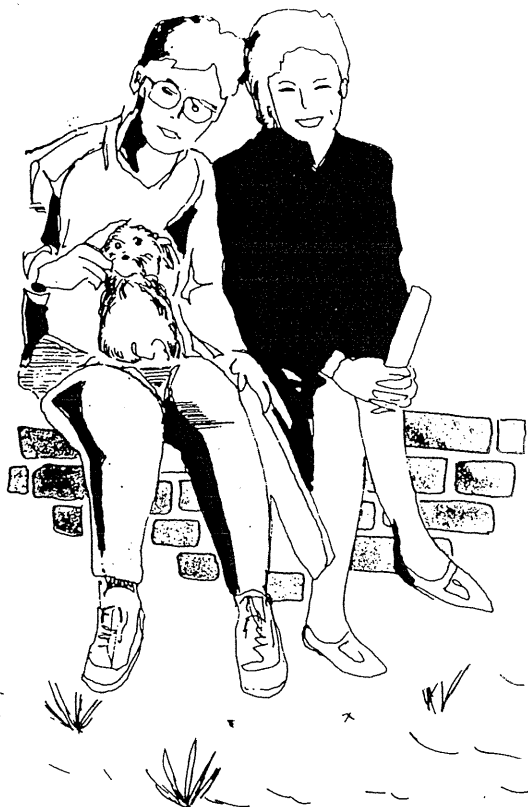

"Anak kurang ajar!" Tangannya dilepaskan ke muka Laira. Mak Ina cuba menahan Kamsan tapi tidak berdaya. Timah terpaku melihat kejadian itu.

"Sudahlah Encik Kamsan. Laira, pergi minta maaf kepada ayah dan mama kamu," ujar Mak Ina.

"Maafkan Laira ayah, mama; Laira tahu Laira berdosa. Laira berjanji depan ayah, mama juga Mak Ina yang Laira tak akan melakukannya lagi," terang Laira.

Mereka berempat menuju ke bilik masing-masing untuk merehatkan badan.

“There’s so much room in daddy’s new Volvo, we can even invite our friends!”

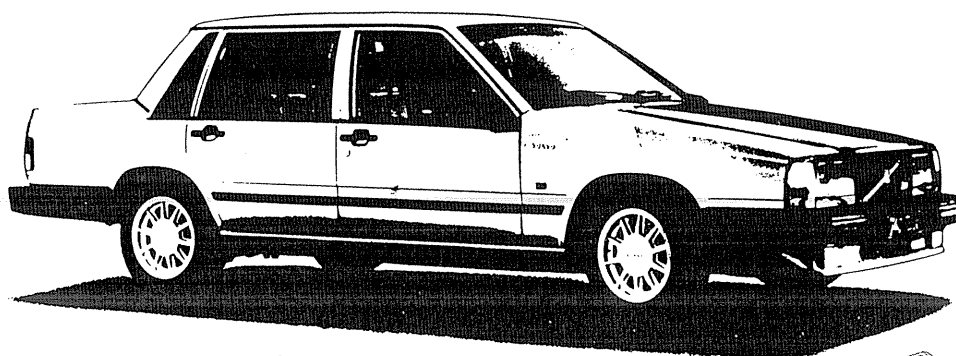

In a Volvo, the comfort and safety of your family never take second place. Our 740 for example, is bigger than any other 2-litre sedans, inside and out.

Designers of the 740 ensured rear seat spaciousness through features such as a longer wheelbase that eliminates the intrusion of the rear wheel housing into the sides of the rear seat. This results in a wider seat and more comfort for rear passengers. There’s more leg room too, even with the front seats fully extended backwards.

The 740 has so much room, it will be just as comfortable when your kids reach puberty years. And with Volvo’s proven reliability and durability, you can be sure that your Volvo will still be serving you well in the years ahead.

Volvo has also carefully designed the cockpit to ensure ultimate comfort and control for the driver. The award winning driver’s seat has 12 adjustments to ensure a customised fit. Large windows and windscreens ensure optimum visibility. Plus, easily accessible controls, all contribute to making the Volvo driver a good driver, as his concentration is on the road and not on his seat.

You’ll take great pride and comfort in owning a Volvo 740. And so will your family.
